

Hi Kids, My
Name is
Louie.

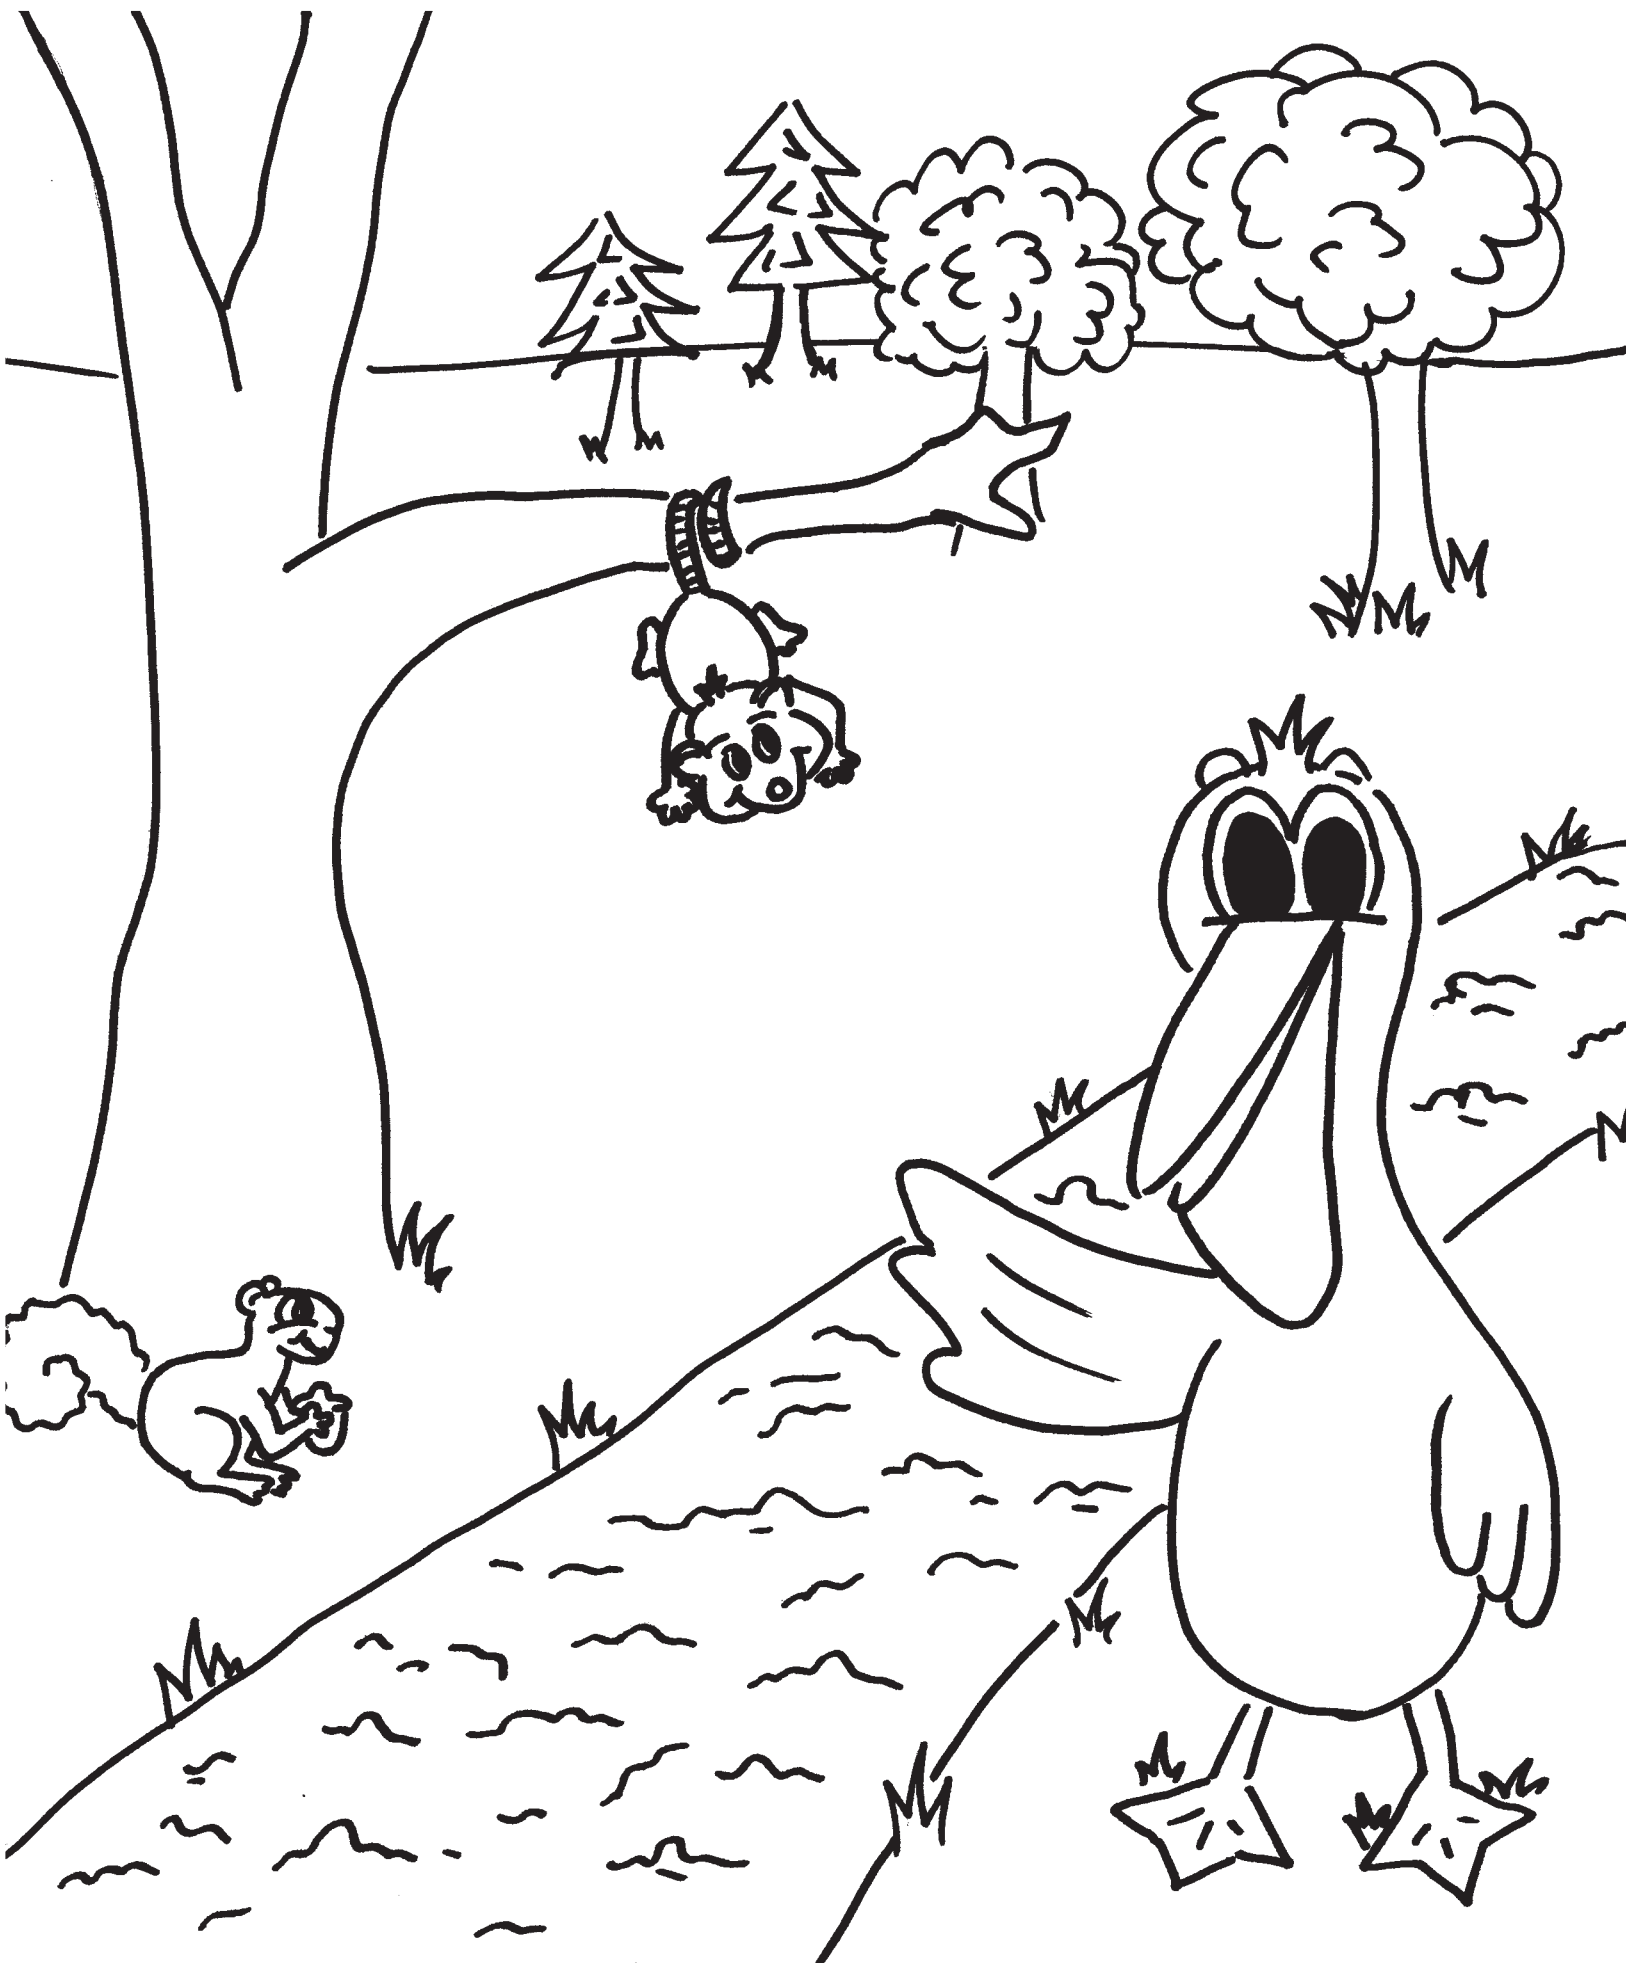

Have you ever been to a Louisiana State Park, State Historic Site, or Preservation Area? Well, Just follow me and we will go!

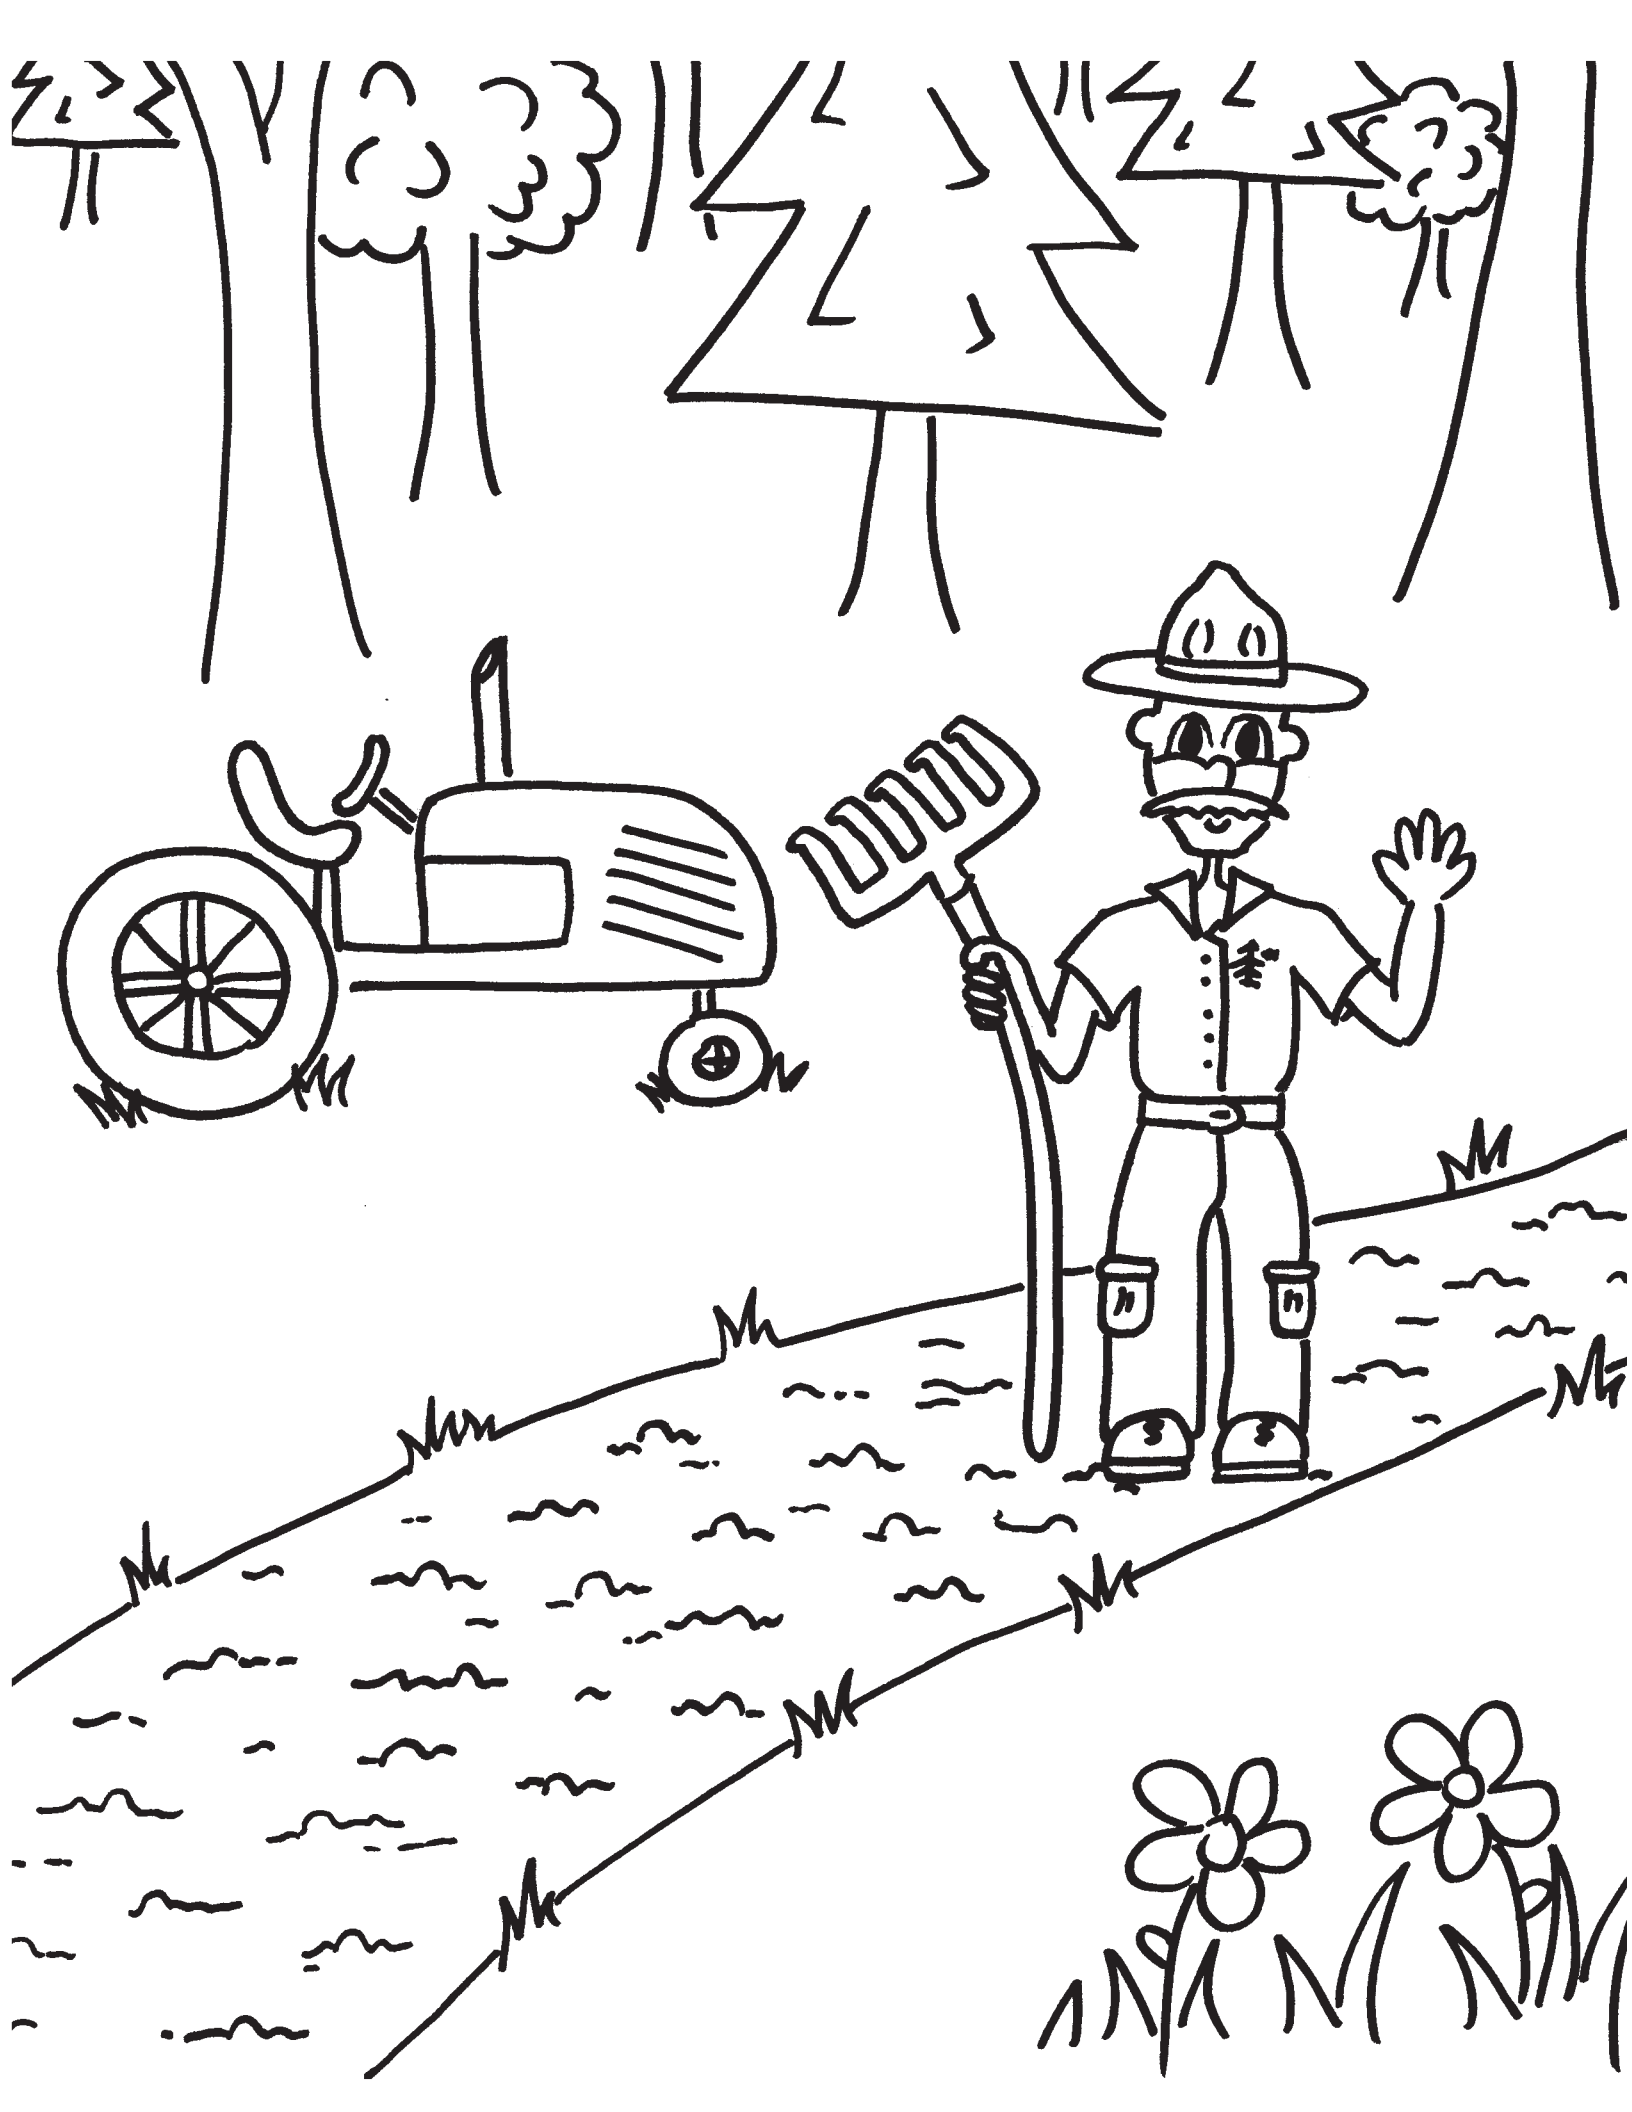

and Fun
Adventure

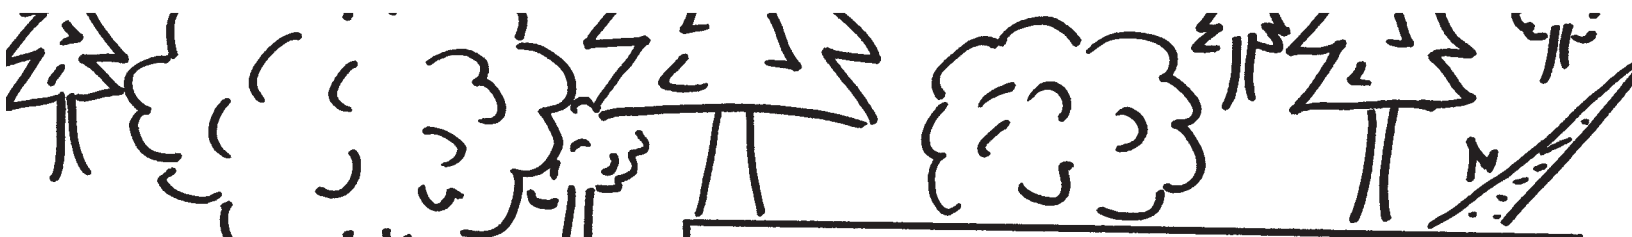

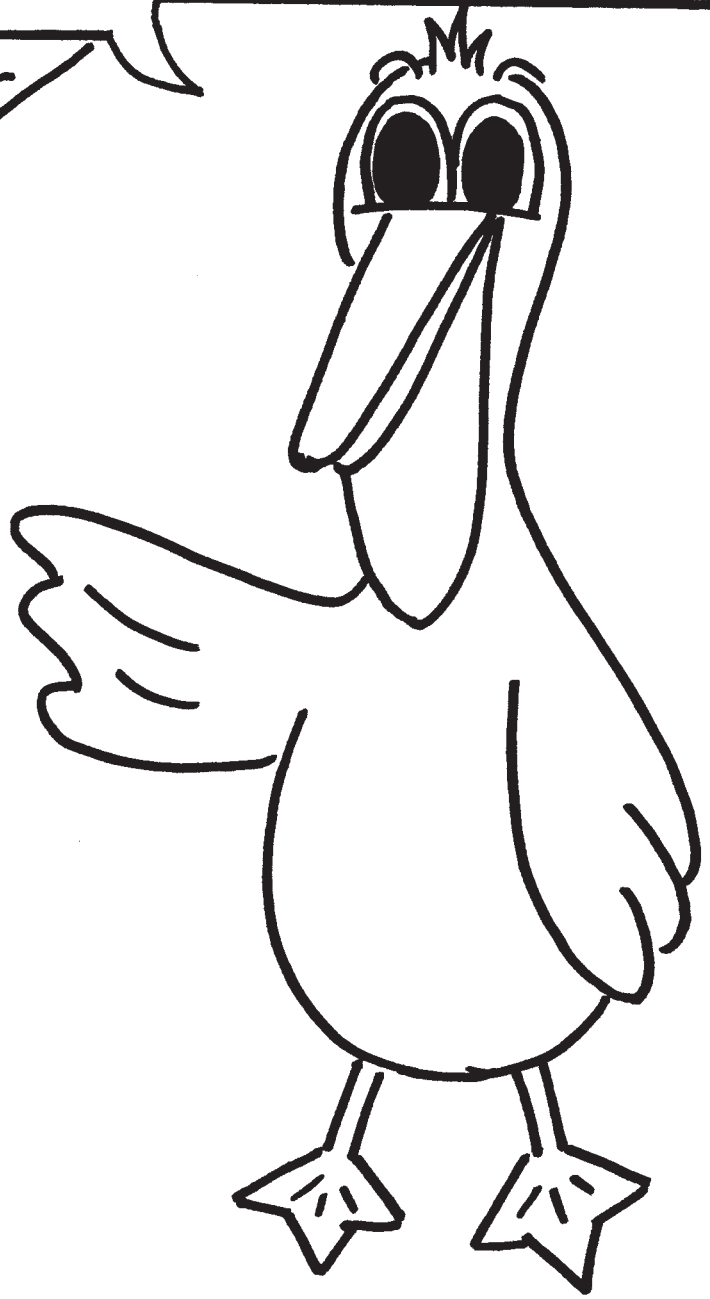

At Louisiana State Parks we can go on a hike, a swim or just look at the neat stuff in nature.

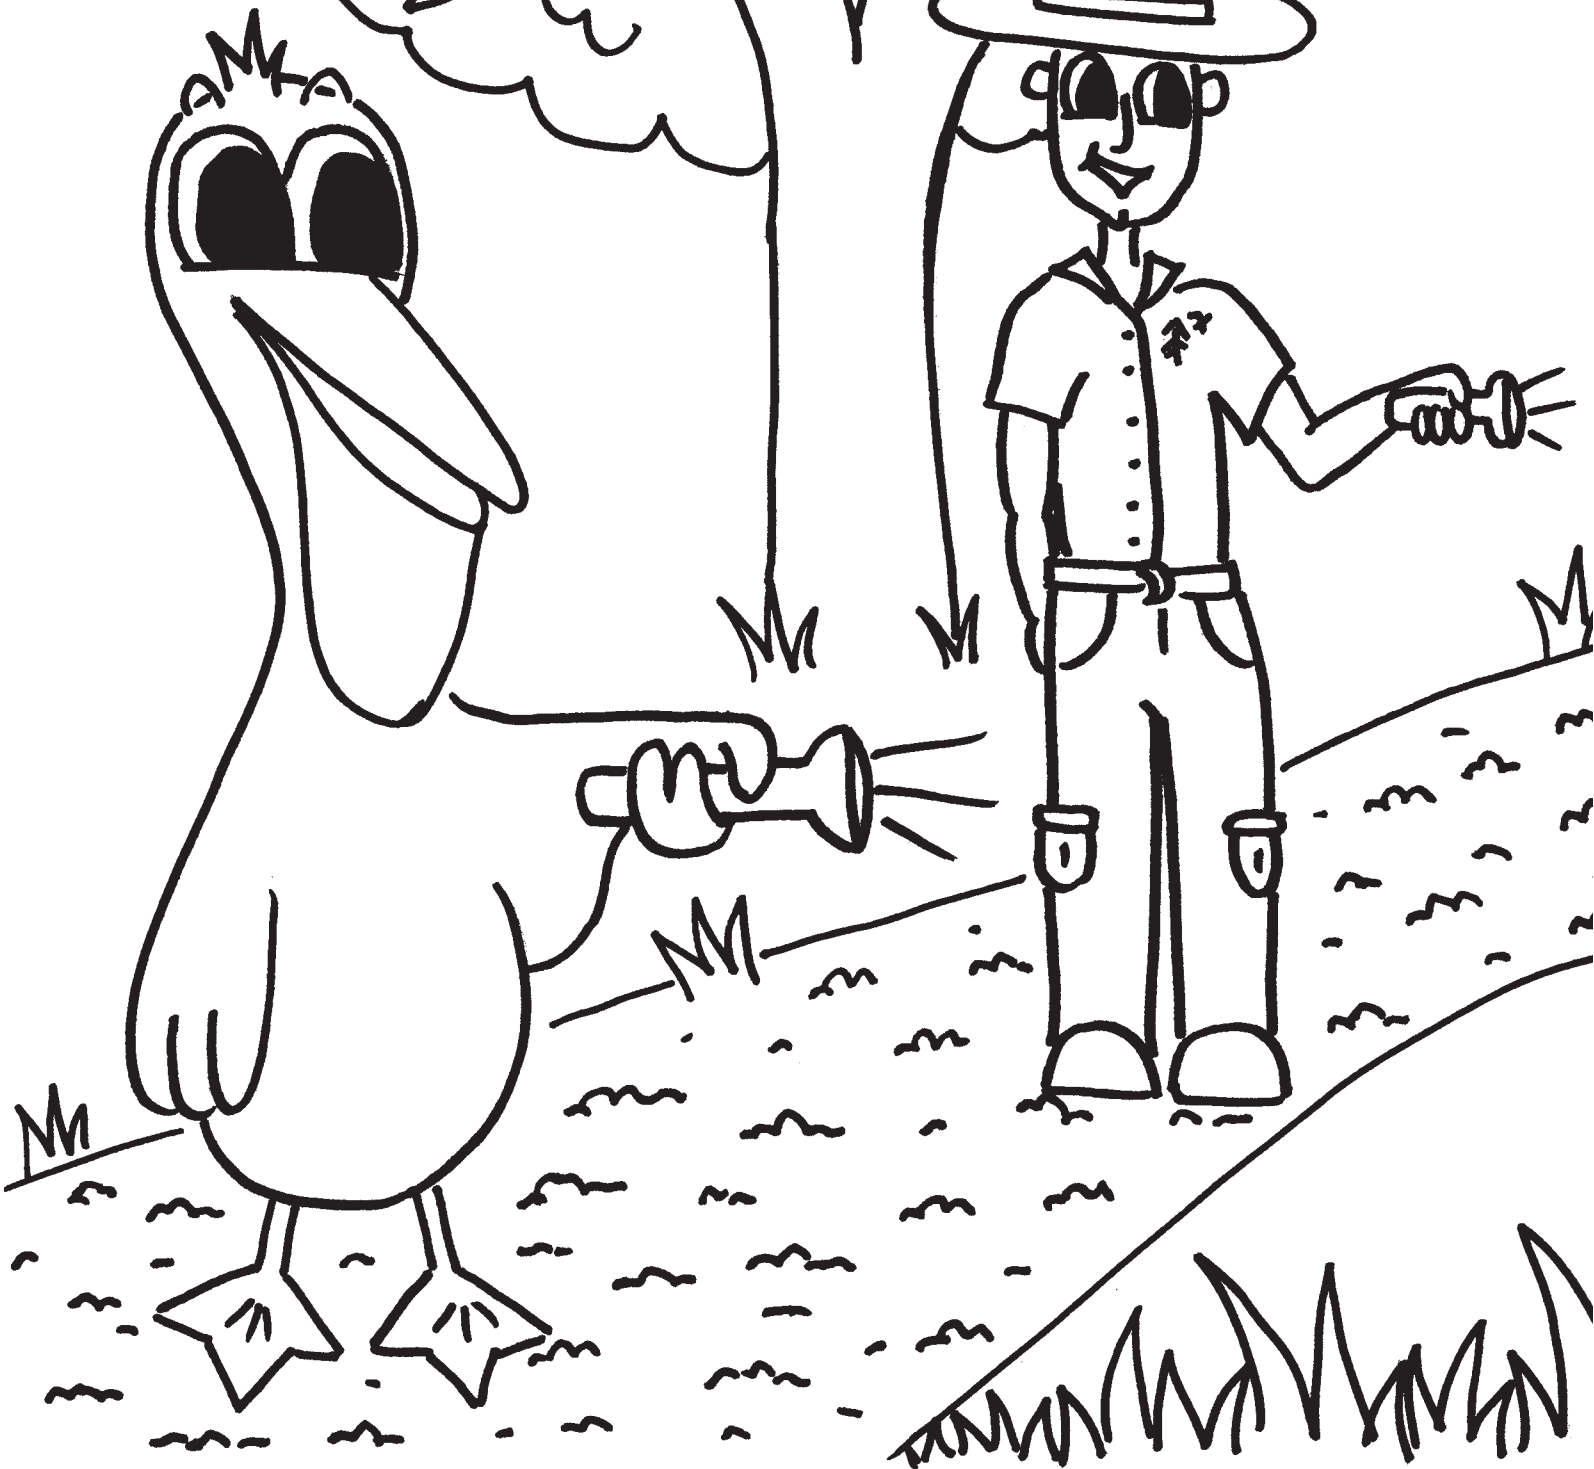

We can see the
Park Ranger working
hard to preserve and
protect this park for
us to enjoy.

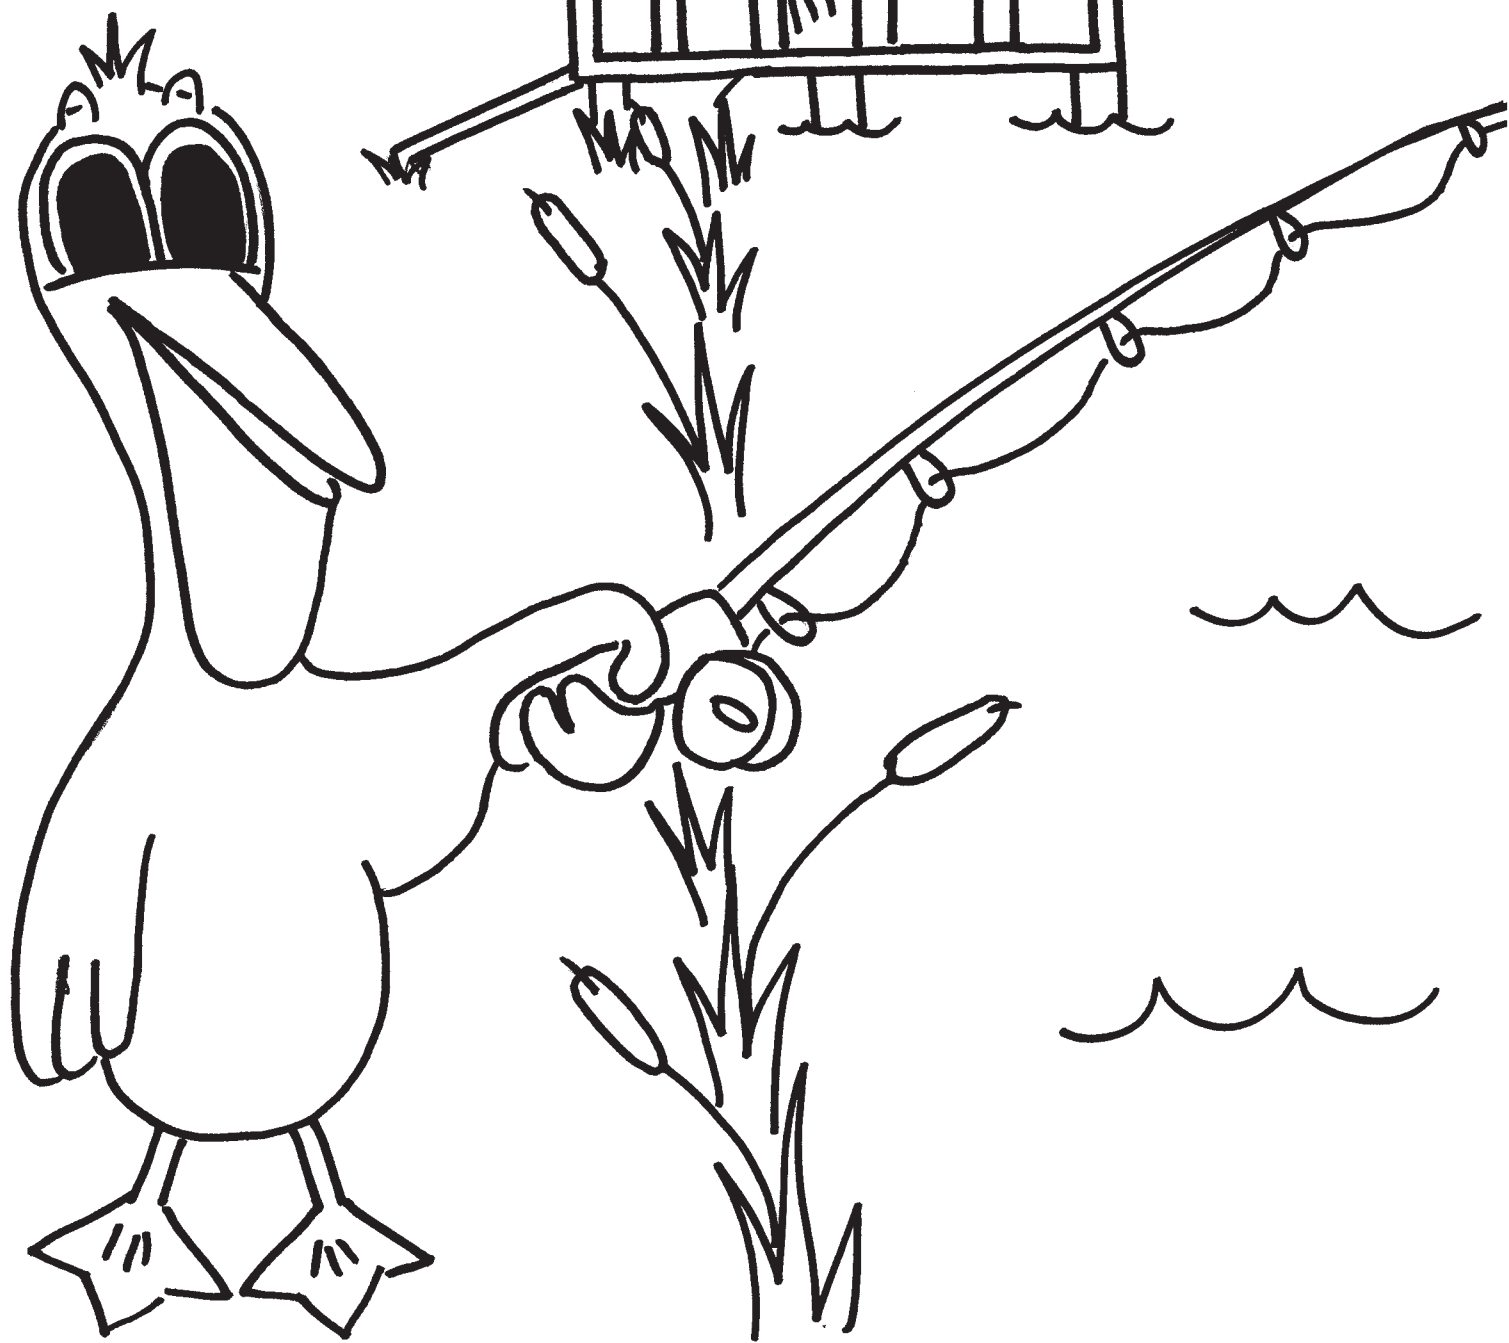

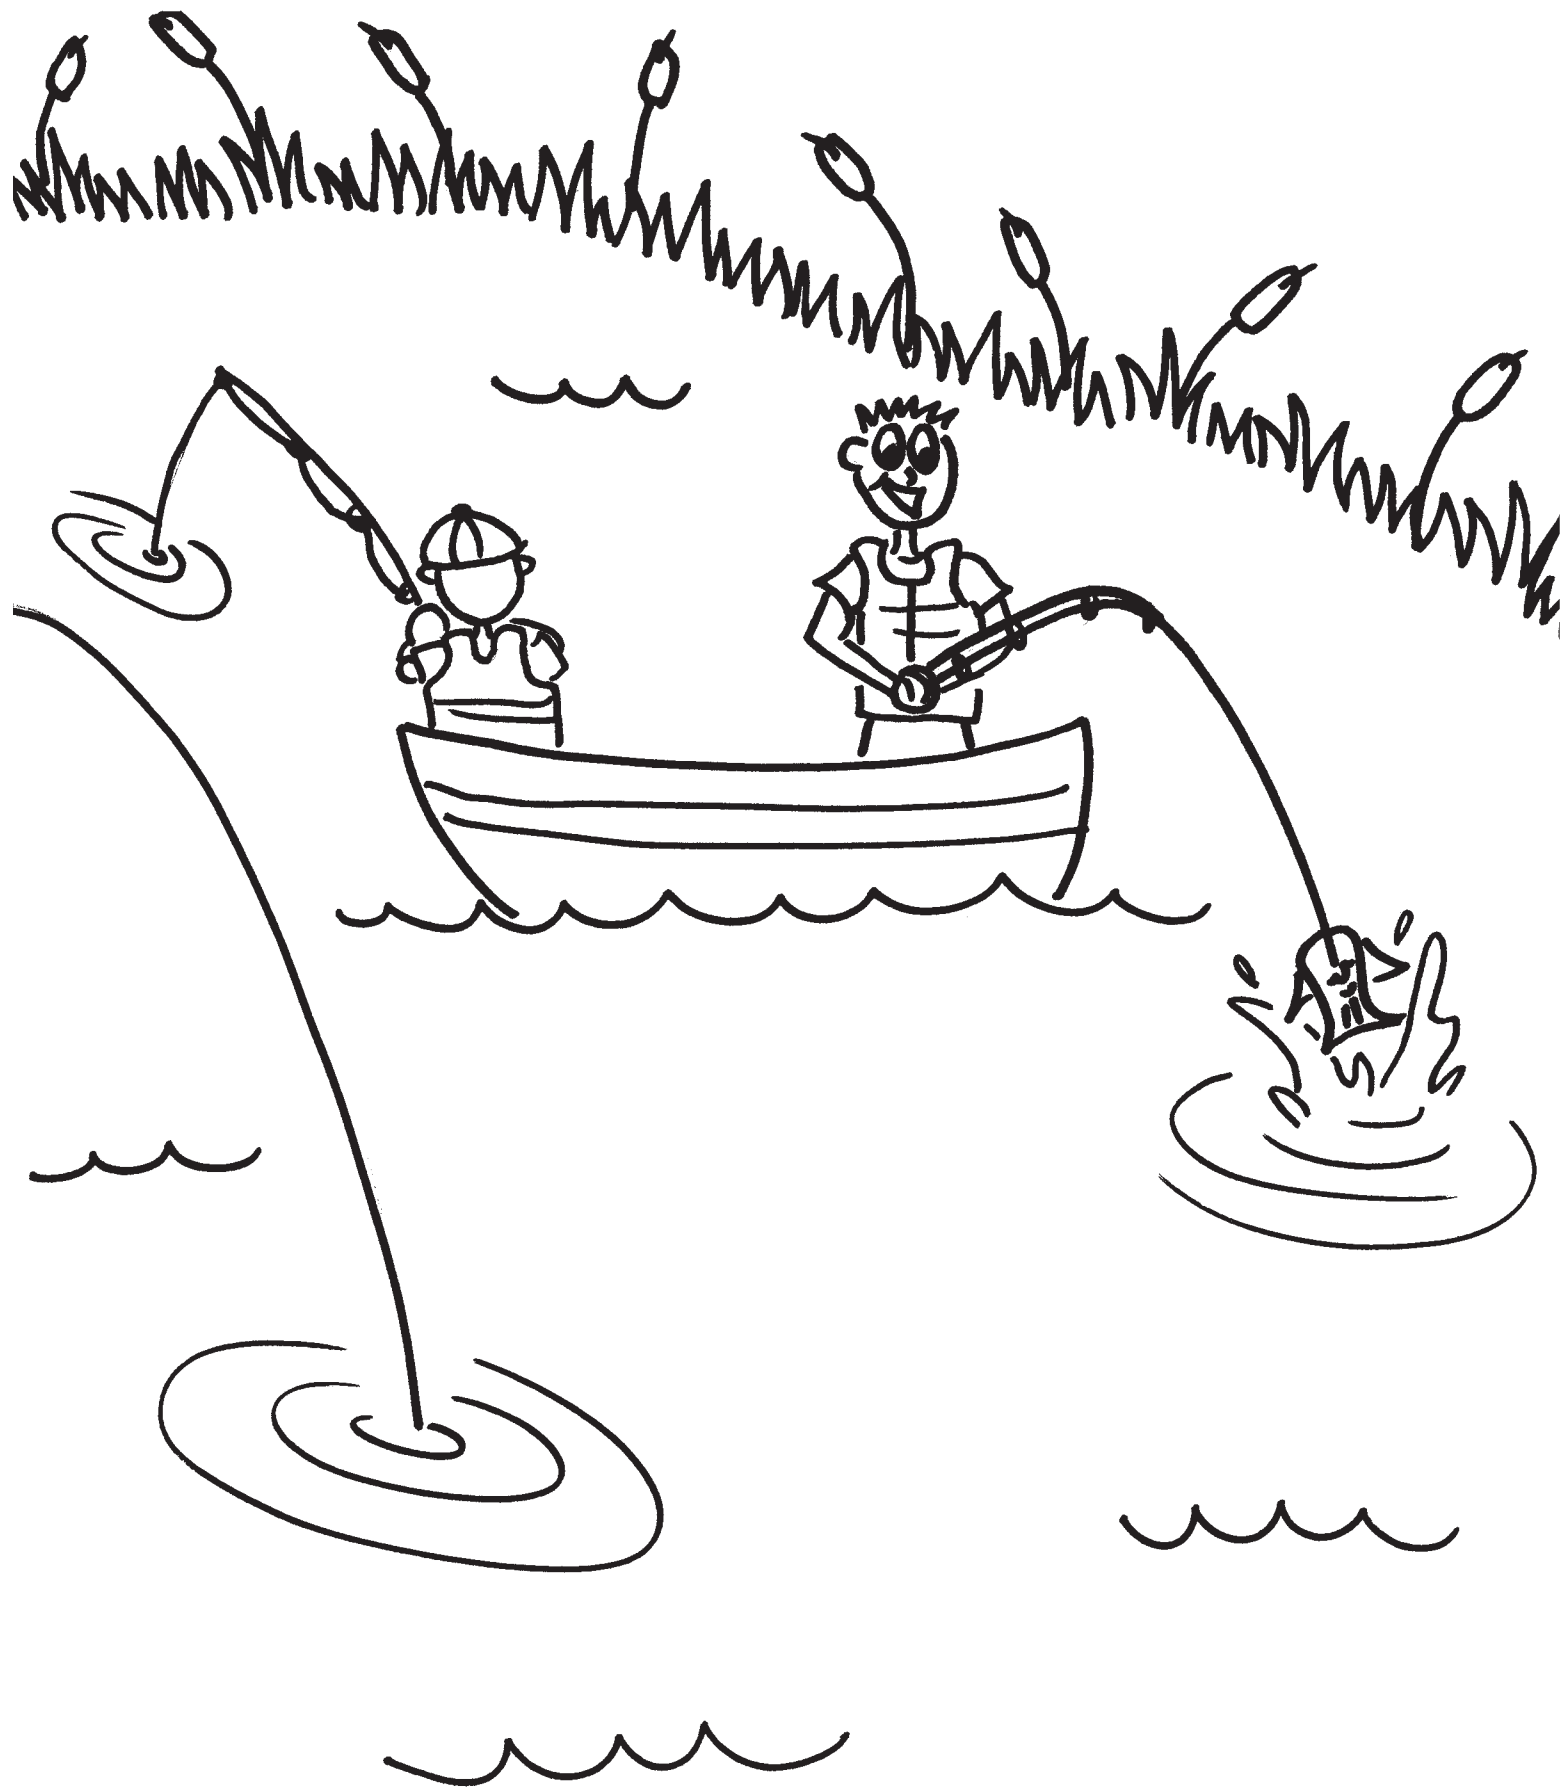

We can go on a hike at night with the Ranger...

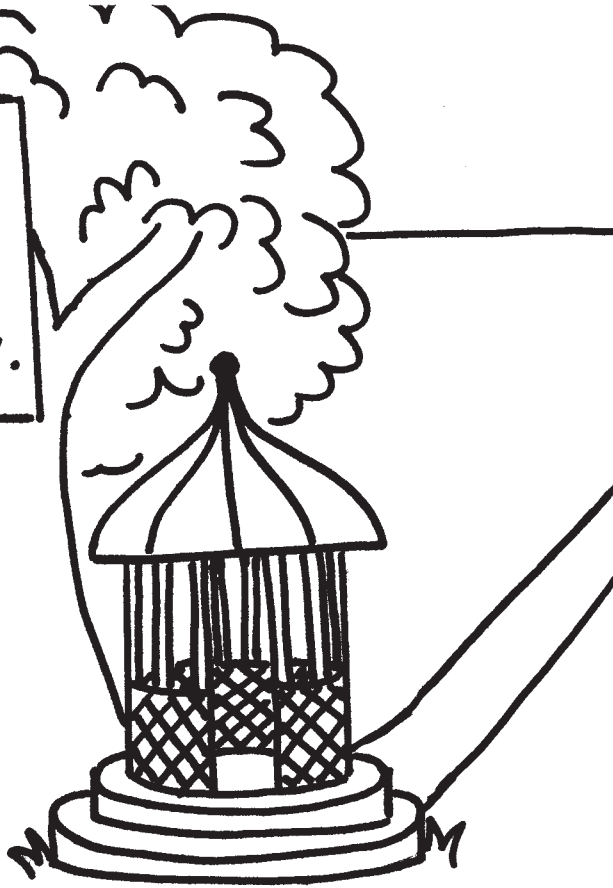

... or we can fish during the day.

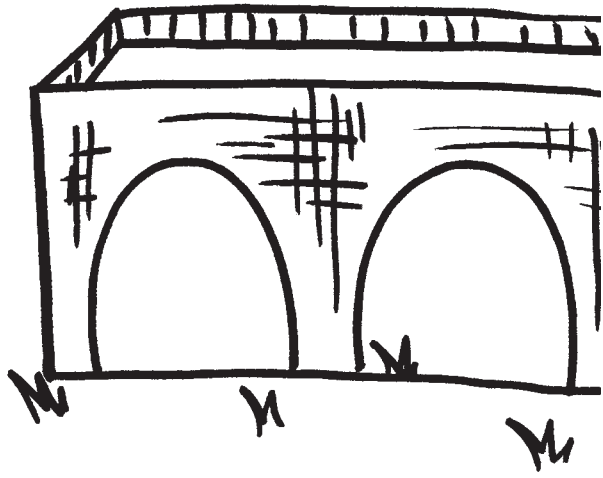

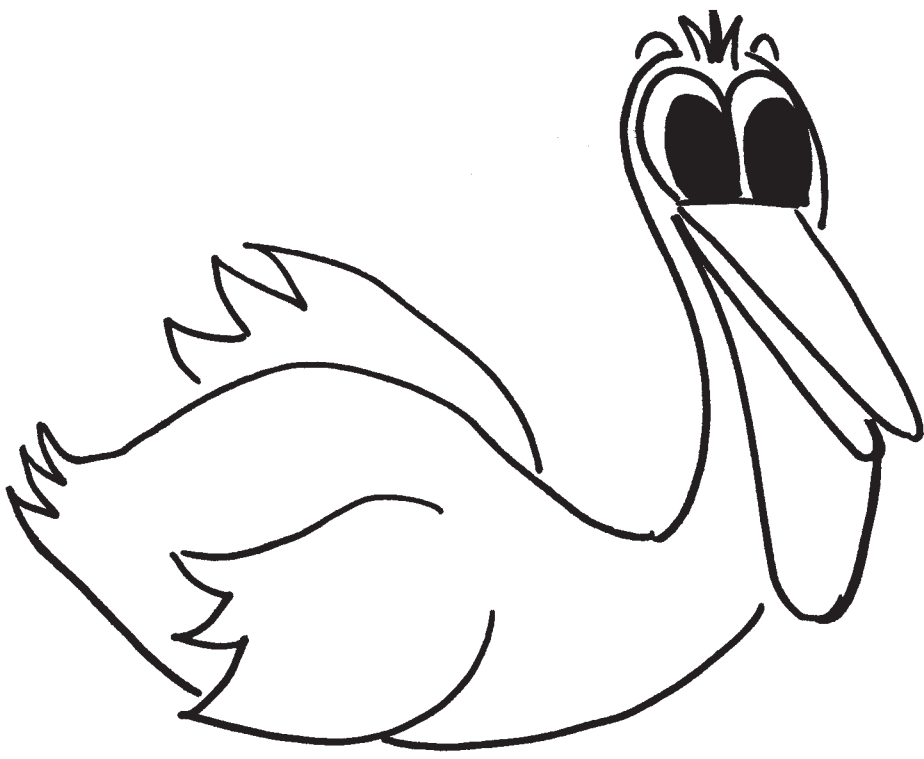

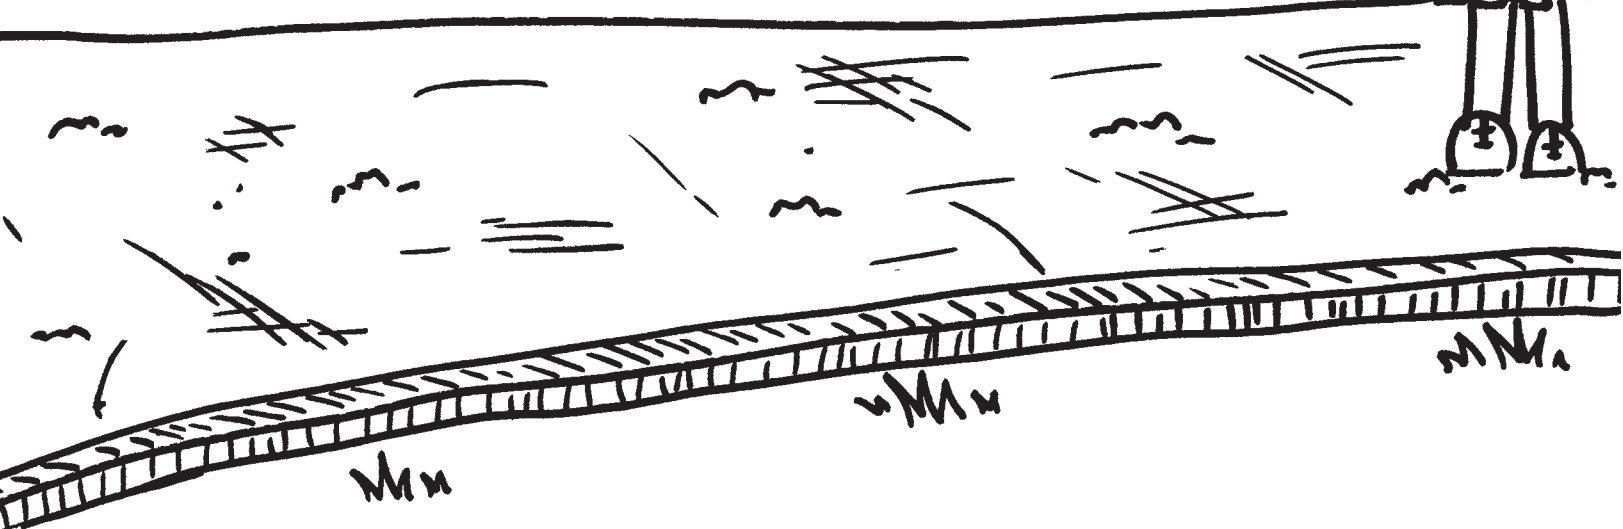

At Historic Sites we can travel back in time and explore Louisiana's rich culture and exciting history.

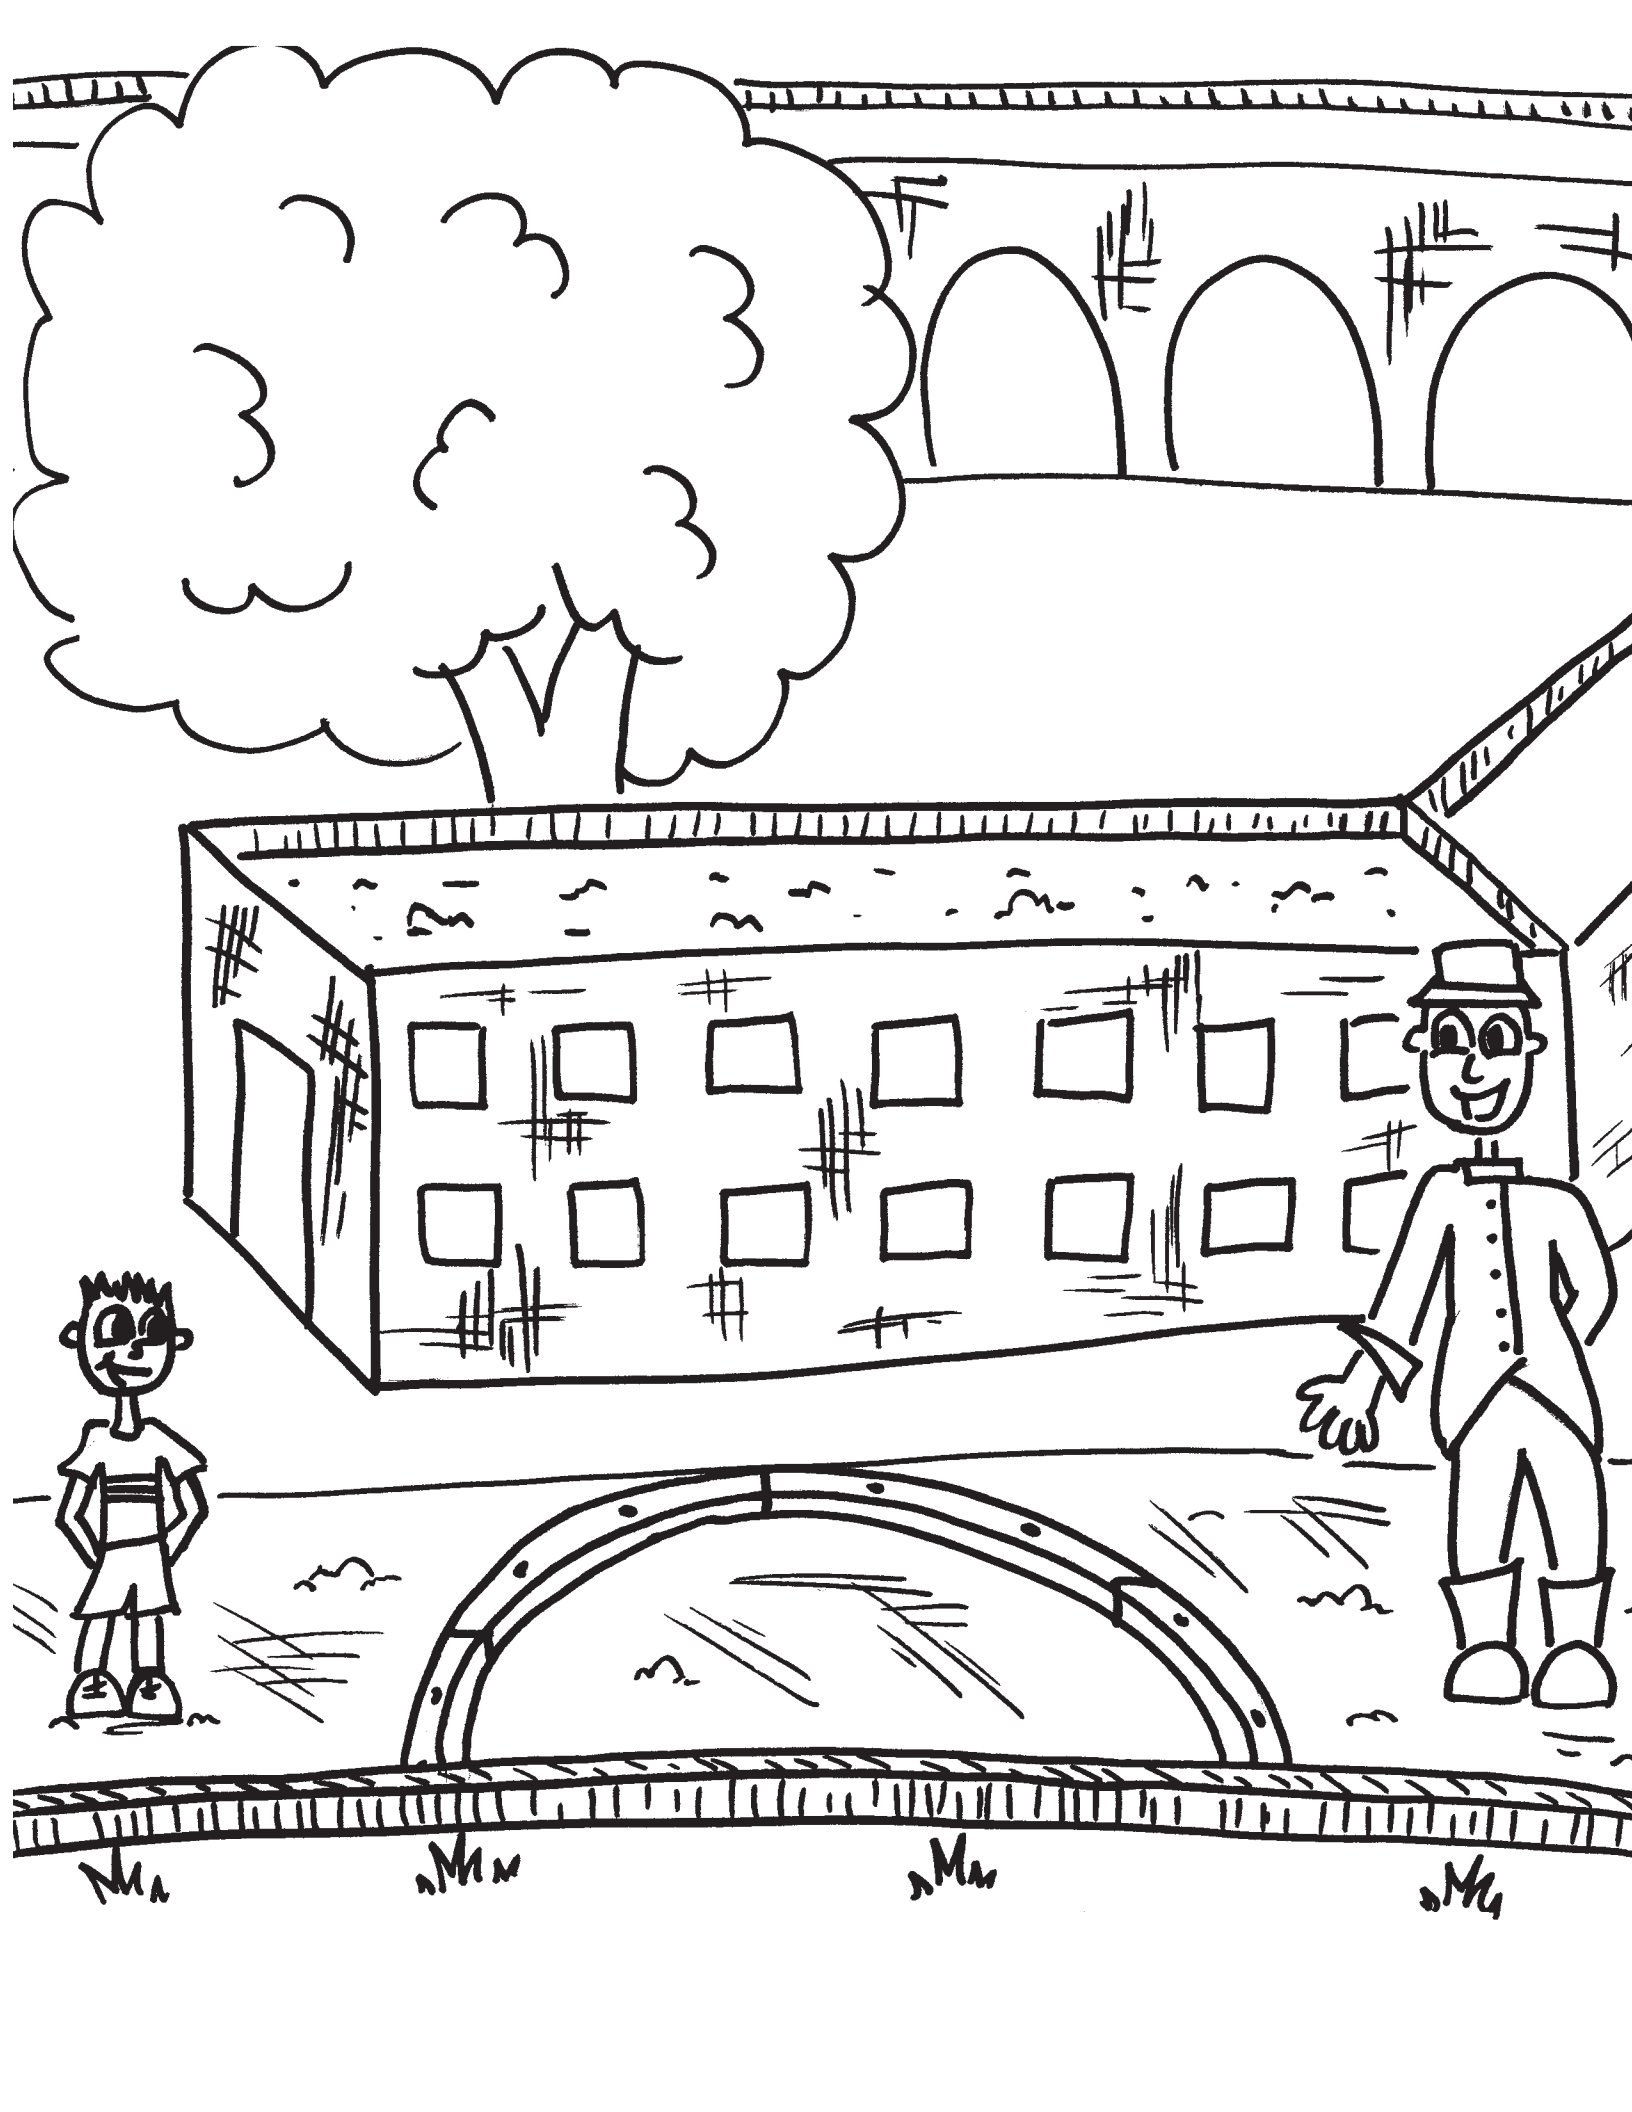

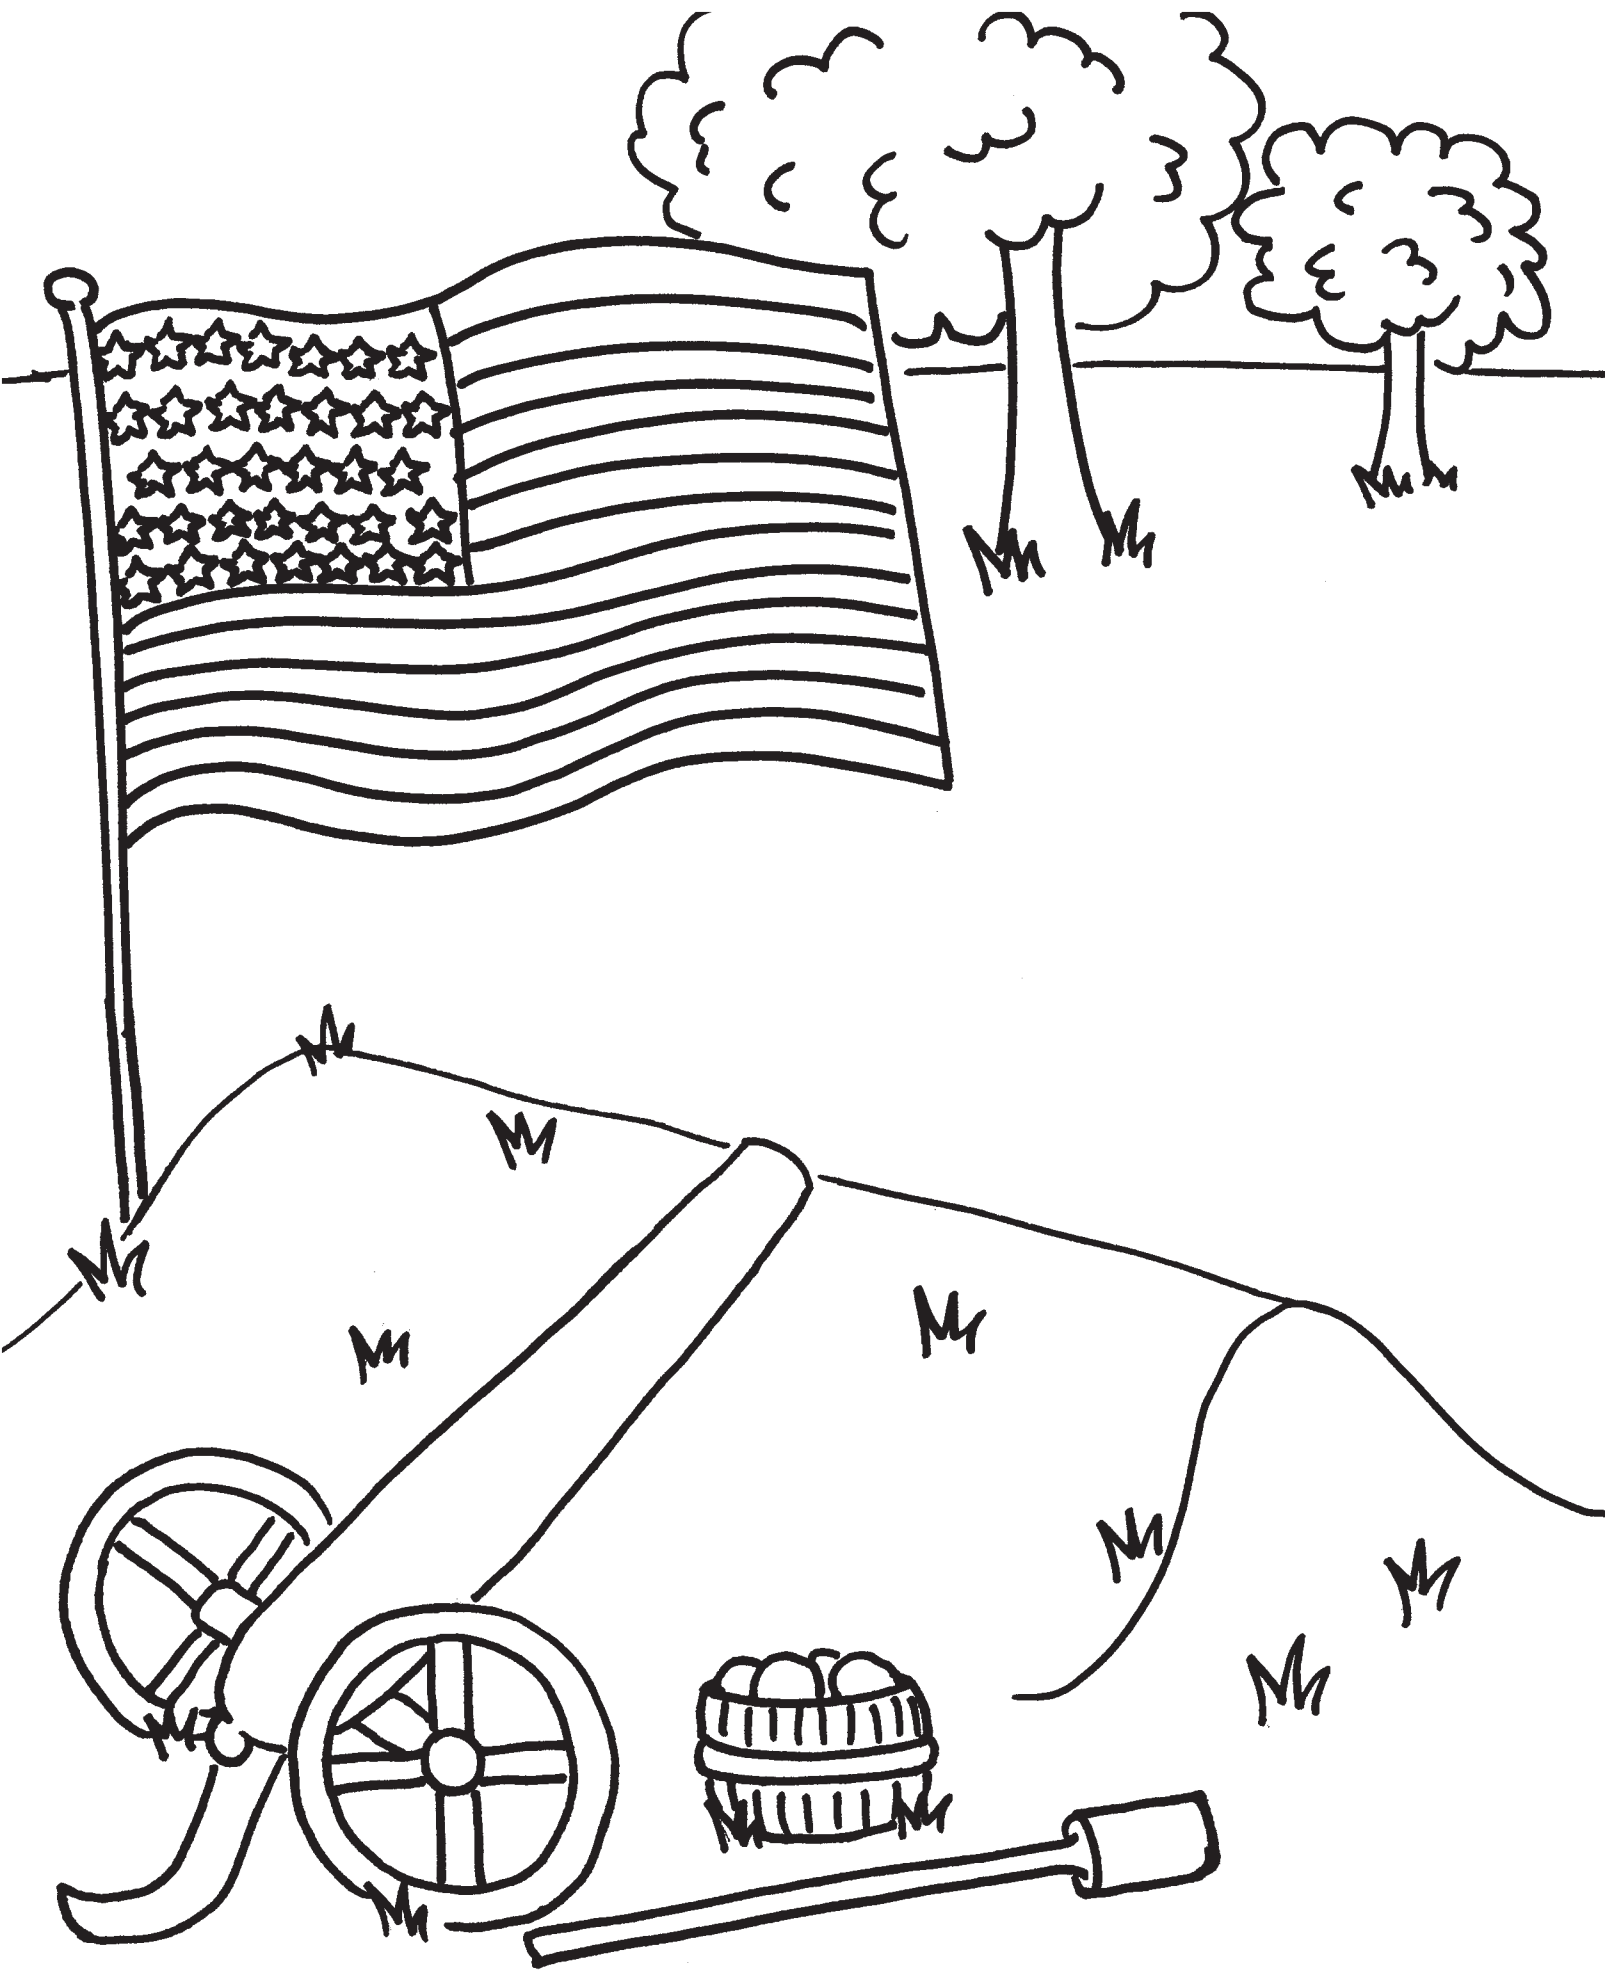

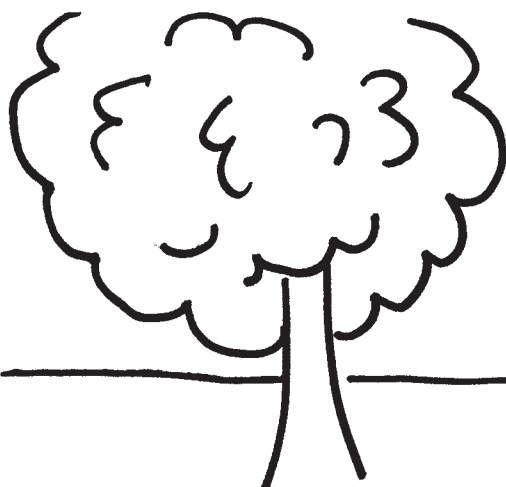

We can learn about Louisiana's history by attending a program...

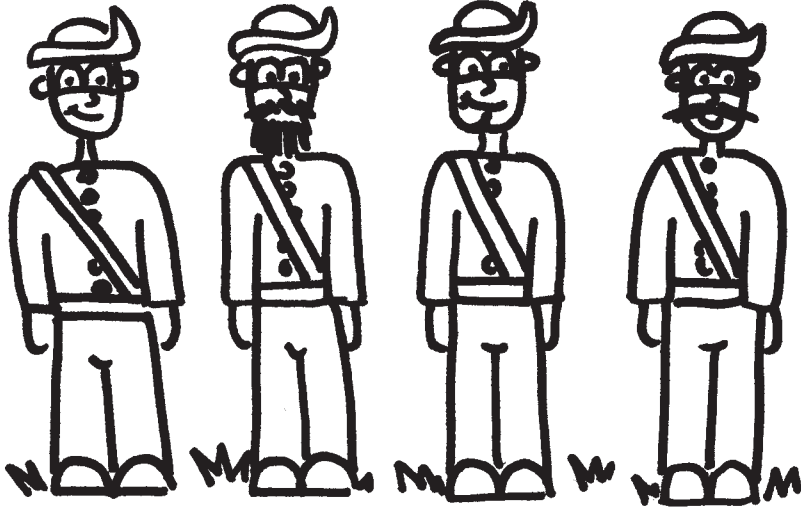

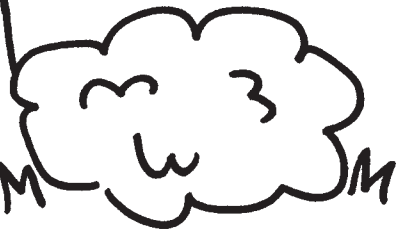

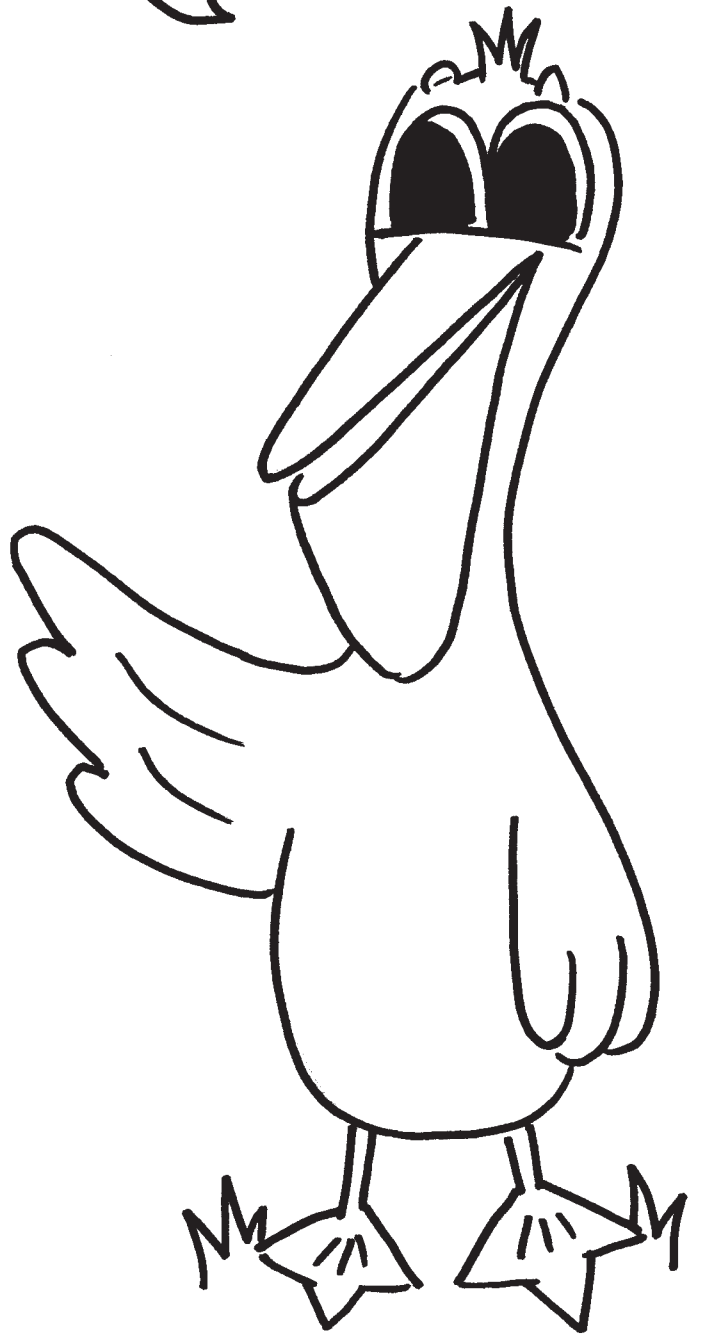

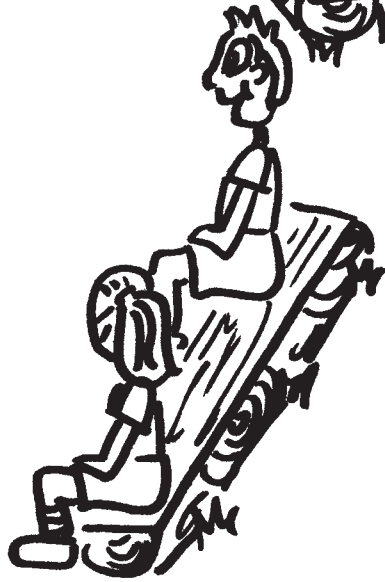

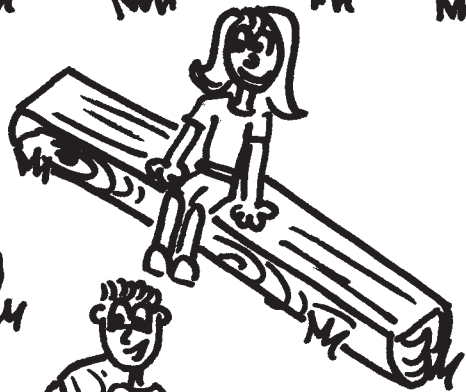

... or we can attend a battle reenactment.

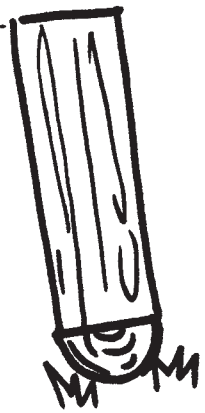

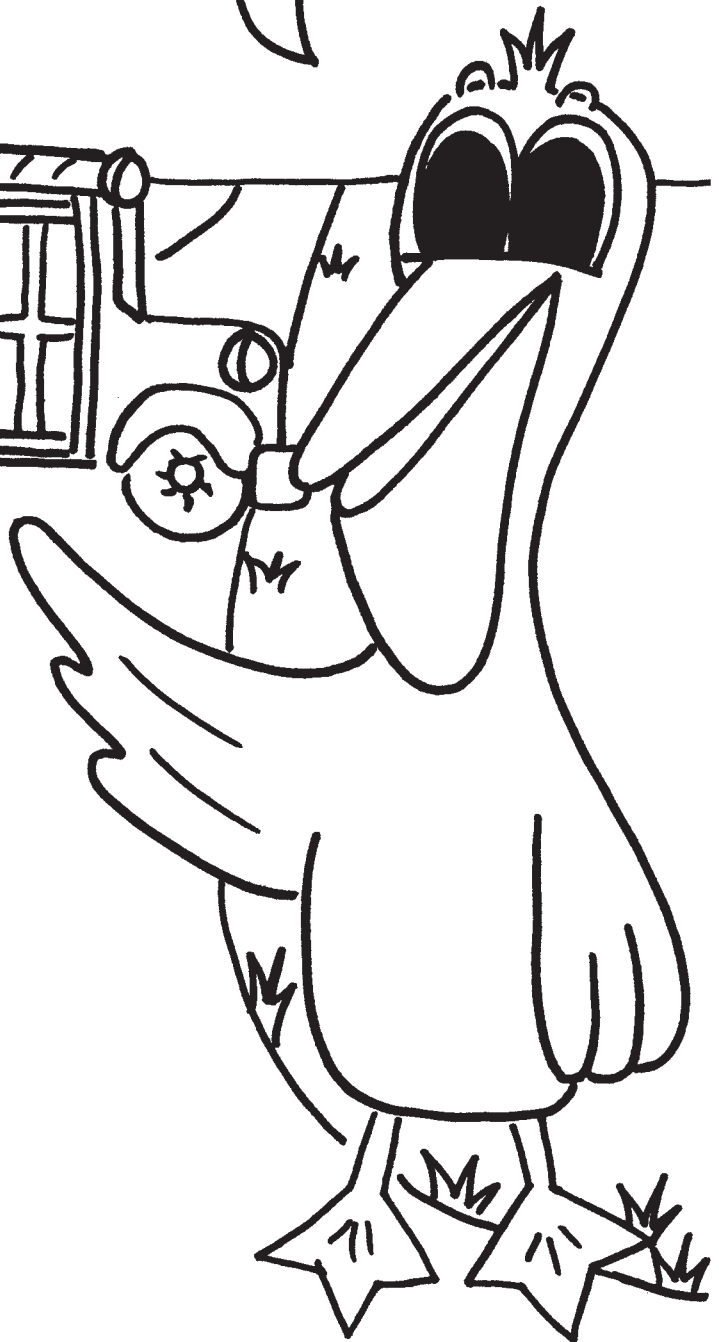

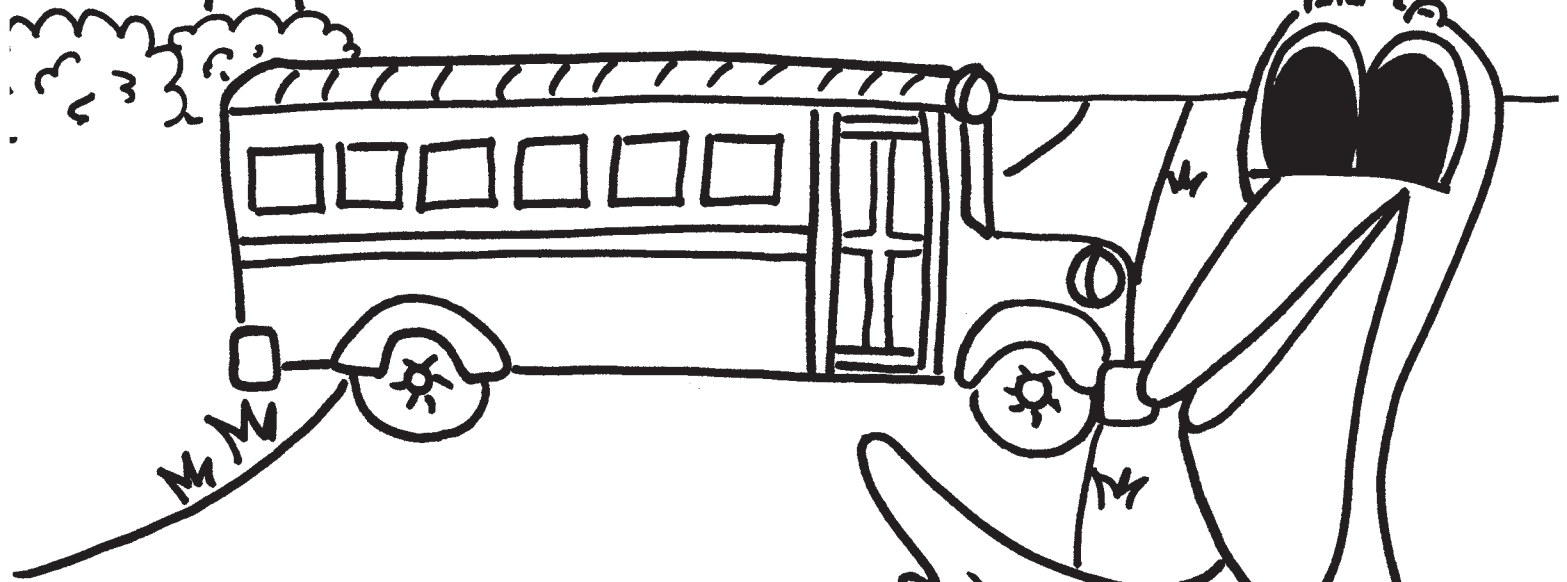

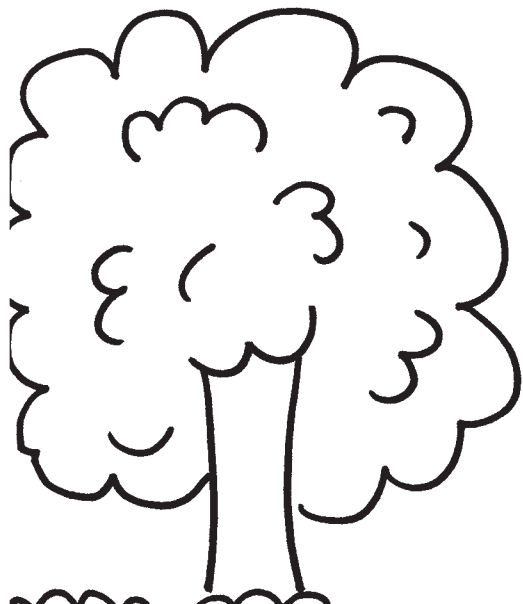

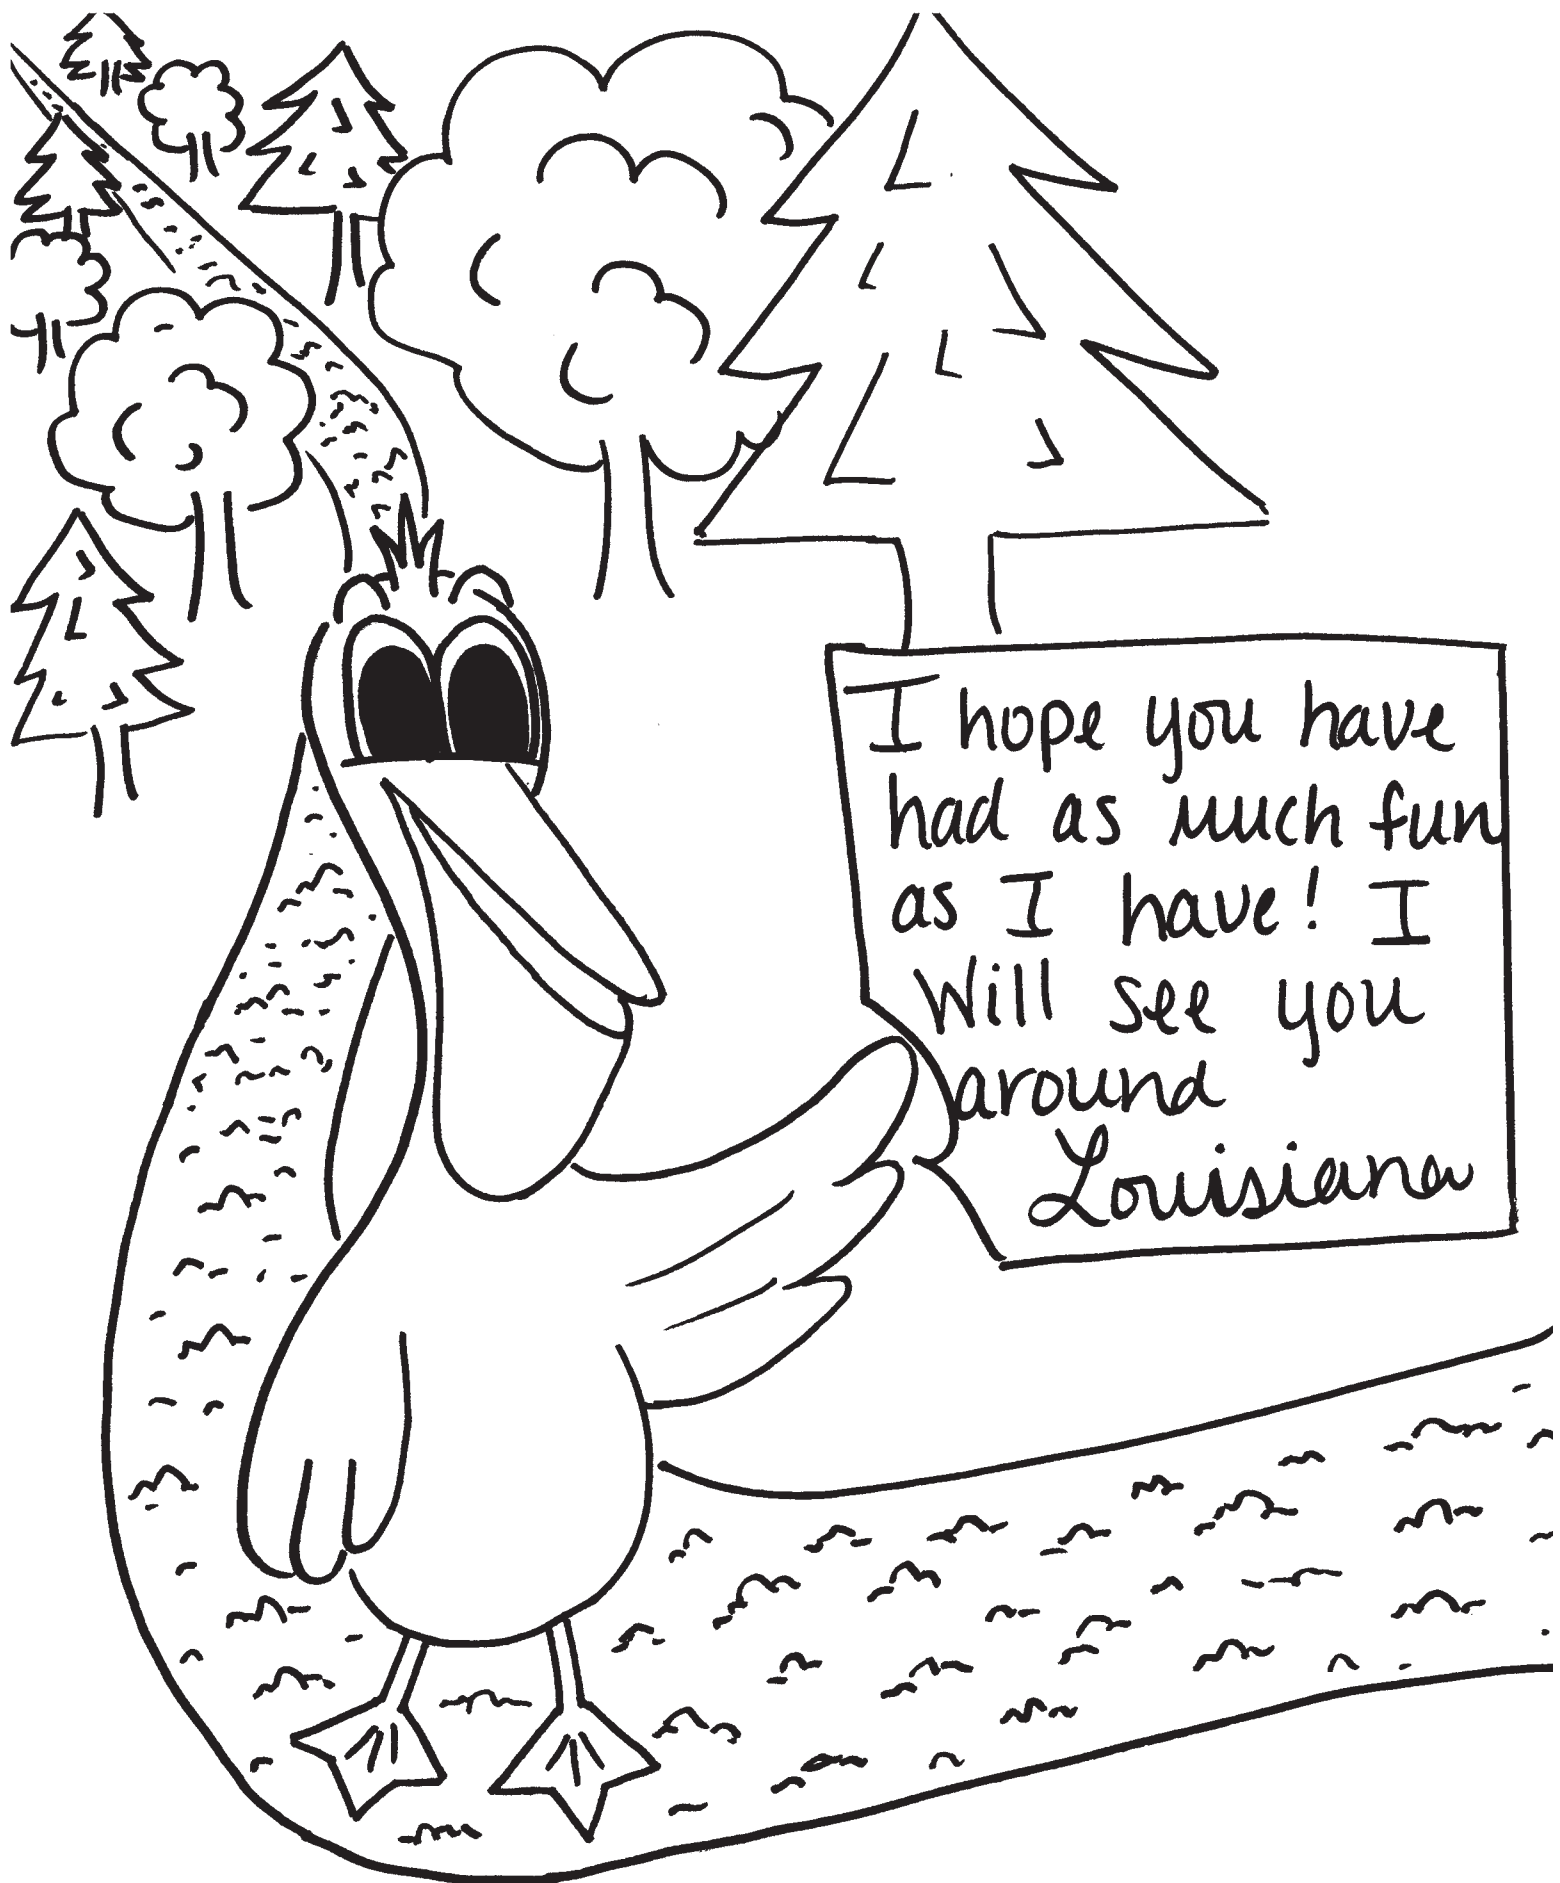

We can also learn about prehistoric weapons.

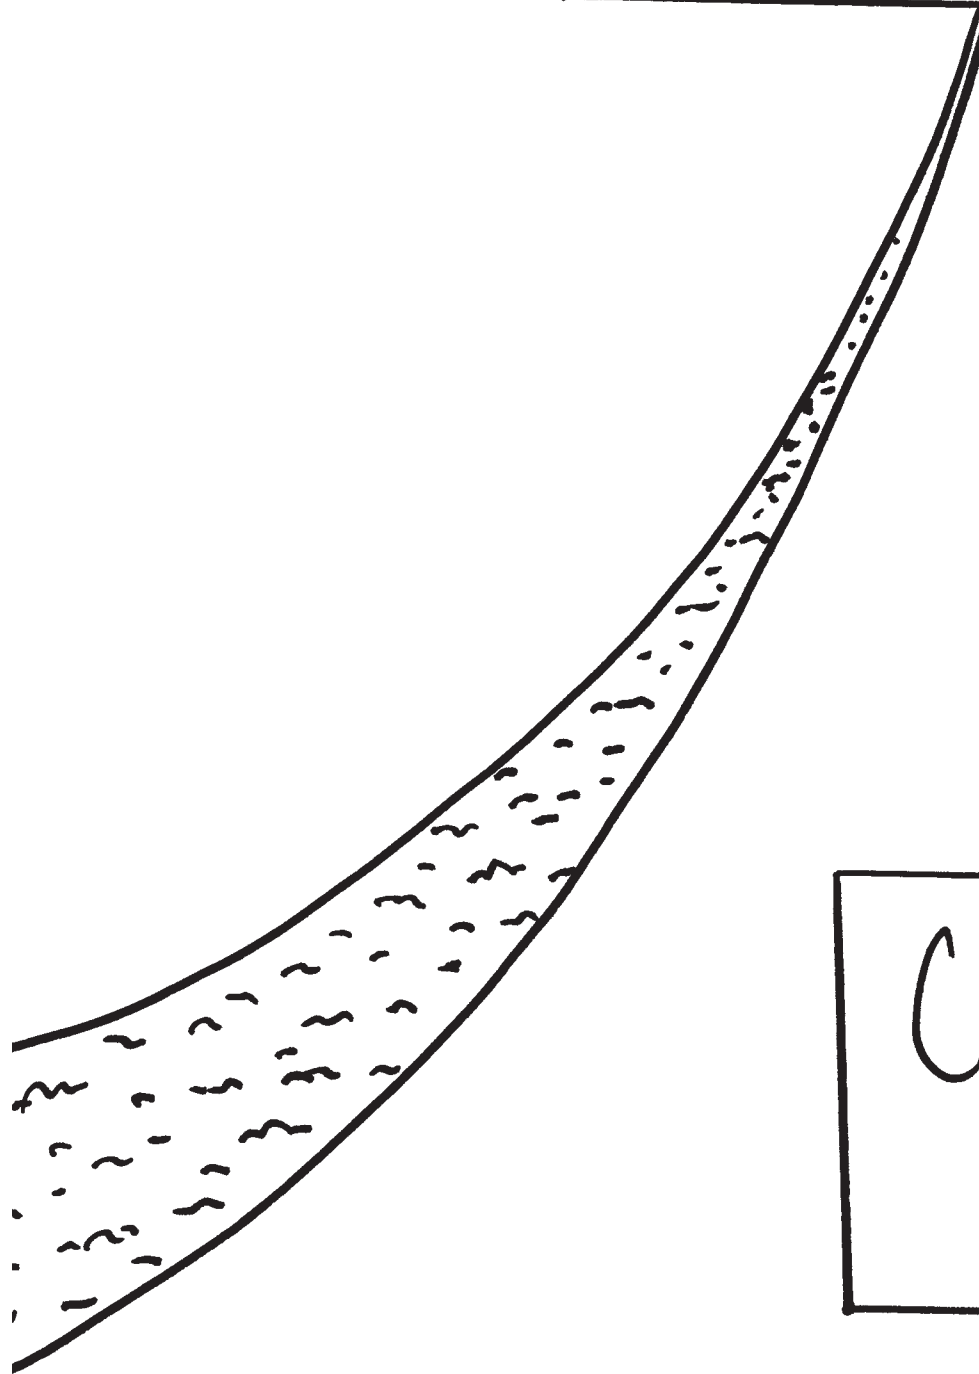

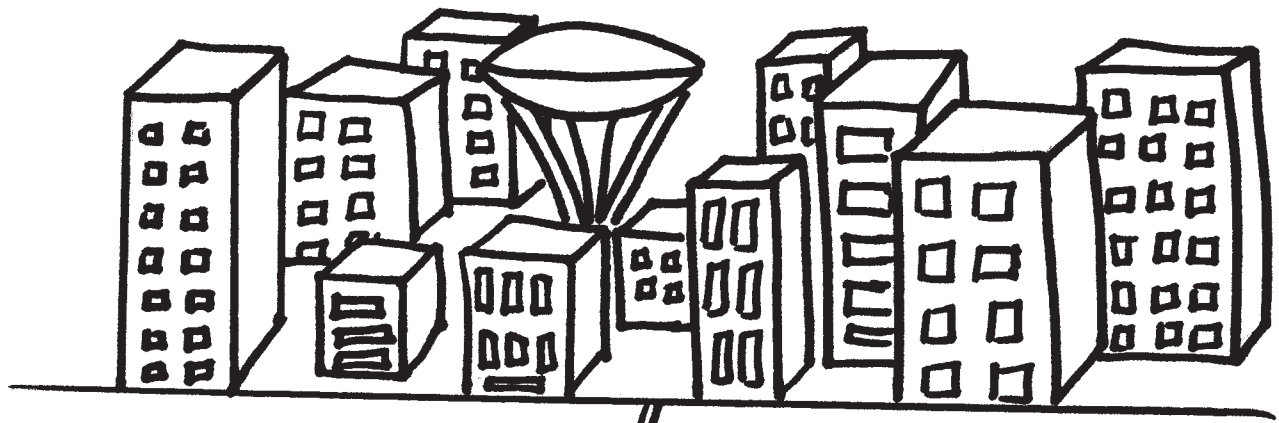

Fieldtrips are fun
at a Preservation
Area!

I hope you have
had as much fun
as I have! I
Will see you
around
Louisiana

Come ☺
Again!
