Effective immediately, the boat launch at North Toledo Bend State Park, near Zwolle is open to boat traffic. Boat launches at both North Toledo Bend and South Toledo Bend State Parks closed in July due to extremely low lake levels at the Toledo Bend Reservoir.

The South Toledo Bend State Park boat launch remains closed pending dredging of boat lanes by the Sabine River Authority.

The water level at the Toledo Bend Reservoir remains below the recommended safe level so all water sport participants are advised to avoid excessive speed and exercise caution when navigating waters outside of normal boat lanes.
