

PUBLIC NOTICE

Litter Abatement and Beautification Task Force Workshop

February 15, 2022
8:30 am – 2:30 pm

The Estuary at the Water Campus
1110 S. River Road
Baton Rouge, LA

Workshop Objectives:

- Establish broad understanding of state of the litter problem in Louisiana
- Provide knowledge and education to TF members on best practices and lessons learned on litter abatement and beautification
- Build motivation amongst Task Force members to more comprehensively, collaboratively, & effectively address the litter issue
- Develop clear path forward for Task Force members to develop recommendations
