

National Register Nomination Owner Verification Form

The National Historic Preservation Act of 1966 requires that certain legal notification processes be followed before the state Review Committee can consider a candidate for listing on the National Register of Historic Places. For this reason, it is imperative that applicants provide the Louisiana Division of Historic Preservation with accurate and complete owner contact information. Please retype or print the form below (inserting the required information) and return it with the first draft of the National Register nomination. **Incomplete Owner Verification Forms may delay processing of your nomination. Additionally, if an individual owner notification letter, or any portion of letters going to owners within a historic district, are returned by the US Postal Service due to an incorrect address, you will be notified and your nomination may be withheld from the Review Committee agenda until proper notification can be made.**

Property Name:

Property address:

I (insert name here) hereby certify that the following constitutes the complete list of owners of record for the property named above.

Source of Owner Information:

Single Owner:

Name/Contact Name for
Company:

Company Name (if applicable):

Address:

City, State, Zip:

Multiple Owners:

Number of Owners:

If there are fewer than 50 owners, attach a list containing the name of each owner as well as his/her mailing address. For a historic district, specify which properties are owned by each person.
