PHILOSOPHY

The Americans with Disabilities Act (ADA) and the Americans with Disabilities Amendment Act (ADAAA) are federal laws intended to maximize employment opportunities for qualified individuals with disabilities and to assure quality of opportunity, full participation, independent living and economic self-sufficiency for disabled individuals. The Office of the Lieutenant Governor (OLG) and the Department of Culture, Recreation and Tourism (DCRT) are fully supportive of these goals and will ensure that qualified individuals with disabilities are afforded equal opportunity in all conditions of employment.

POLICY

The Office of the Lieutenant Governor (OLG) and the Department of Culture, Recreation and Tourism (DCRT) are committed to ensuring compliance with the requirements of the Americans with Disabilities Act and its Amending Act of 2008 (collectively ADA) to include:

- **Title I**: Prohibits discrimination against qualified individuals with disabilities in all employment practices, including recruitment, hiring, advancement, compensation, fringe benefits, job training and other terms, conditions and privileges of employment. Upon request, The OLG/DCRT will engage in an interactive process and may approve a reasonable accommodation, unless the Requestor is not a qualified individual; doing so poses an undue hardship to the agency; or poses a direct threat to the health or safety of the individual with a disability or others.

- **Title II**: Ensures qualified individuals with disabilities have equal access to programs, services, activities and facilities of the agency. Upon request, The OLG/DCRT may provide a reasonable accommodation, unless the Requestor is not a qualified individual; doing so would fundamentally alter the nature of the agency’s service, program or activity; pose an undue
hardship to the agency; or poses a direct threat to the health or safety of the individual with a disability or others.

PURPOSE

The purpose of this policy is to outline The Office of the Lieutenant Governor (OLG) and the Department of Culture, Recreation and Tourism (DCRT) standards and procedures for purposes of ADA compliance.

APPLICABILITY

This policy applies to all OLG/DCRT employees, applicants for employment, and members of the general public that receive services from OLG/DCRT.

DEFINITIONS

A. **Disability:** Under the ADA, an individual with a disability is a person who:
   1. Has a physical or mental impairment that substantially limits one or more major life activities;
   2. Has a record of such impairment; or
   3. Is regarded as having such impairment as described in item #1 above.

B. **Impairment:** Any physiological, mental or psychological disorder or condition, including those that are episodic or in remission, that substantially limits one or more major life activities when active.

C. **Substantially Limits:** An impairment that prevents the ability of an individual to perform one or more major life activities as compared to most people in the general population when taking into consideration factors such as the nature, severity, duration and long-term impact of the condition. Such consideration must be regardless of any mitigating measures such as modifications, auxiliary aids or medications used to lessen the effects of the condition (except for use of ordinary eyeglasses or contact lenses).

D. **Major Life Activities:**
   1. Generally, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others and working; and
   2. The operation of a major bodily function, including functions of the immune system, special sense organs and skin; normal cell growth; and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal and reproductive functions. The operation of a major bodily function includes the operation of an individual organ within a body system.
E. **Essential Functions**: The fundamental and primary job duties of a position. Considerations in determining whether a function is essential include such factors as the written job description; whether the reason the position exists is to perform that function; the limited number of employees available to perform that function; and the degree of expertise required to perform the function.

F. **Qualified Individual**:
   1. Under Title I, an individual with a disability who meets the requisite skill, experience, and education requirements for the position and who can perform the essential functions of the position held or applied for, with or without reasonable accommodation(s).
   2. Under Title II, an individual with a disability who meets the essential eligibility requirements for the receipt of services or the participation in programs or activities provided by the OLG/DCRT, with or without reasonable accommodation(s).

G. **Reasonable Accommodations**:
   1. Under Title I, a modification or adjustment to the work environment that will enable a qualified individual with a disability to:
      a. Participate in the testing, application and/or interview process;
      b. Perform the essential functions of the job; or
      c. Provide equal opportunity to the benefits and privileges of employment.
   2. Under Title II, a modification that permits an individual with a disability to effectively communicate with OLG/DCRT and/or ensure equal opportunity relative to OLG/DCRT’s programs, services, activities and facilities.

H. **Undue Hardship**: An accommodation that would be unduly costly, extensive, substantial or disruptive, in light of factors such as the size of the agency, the resources available and the nature of the agency’s business operations.

I. **Direct Threat**: A significant risk of substantial harm to the health or safety of an individual with a disability or others that cannot be eliminated or reduced by reasonable accommodation.

J. **Service Animals**: According to the Americans with Disabilities Act (ADA), a service animal is defined as “any animal individually trained to work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals to an impending seizure or protecting individuals during one, and alerting individuals who are hearing impaired to intruders, or pulling a wheelchair and fetching dropped items.” In compliance with the ADA, service animals are welcome in all buildings on agency property and may attend any class, meeting or other event. There may be exceptions for certain areas. Employees requesting accommodation for a disability that includes a service animal must contact the
human resource (HR) department and provide appropriate documentation to register the service animal with the HR department. Note: Emotional support animals are not considered service animals under the ADA.
