

Legal Description Requirements:

Required for both acquisitions and development grants.

Provide an exact metes and bounds description of the property starting with a Point of Beginning. The Legal Description should coordinate with the legal survey. If the proposed 6(f) area is a portion of and not the entire existing park property boundary as described in the original survey and property title or deed, a new survey and Legal Description specifically for the 6(f) Boundary will be necessary. See guidelines for eligible 6(f) boundary area. Legal Description can be posted on same sheet as legal survey.

Legal surveys are not eligible for reimbursement. Contact the grant administrator for additional guidance at 225.342.8088 or ssimms@crt.la.gov.
