Blue Cross/Blue Shield and Physicians Mutual are two companies that offer health insurance policies on an individual basis. After the presentations, the representatives will be available to answer questions.

This is an opportunity for employees who are not eligible or who do not want to participate in the State Employees= Group Benefits Program to find out information about other health insurance plans. Employees should be aware that the state pays a percentage of the health insurance premiums for policies offered by State Group. **The state will not pay any portion of the premiums for any of the policies presented at this meeting.** Plans offered at this meeting will not be eligible for payment through direct payroll deduction or participation in the State of Louisiana Flexible Benefits Program.
