SUBJECT: Updated Technician and Skilled Trades Pay Grid

Effective November 25, 2003, there will be a 2% increase to the minimums of the Technician and Skilled Trades (WS) Civil Service Pay Grid. This is the first of two additional 2% increases to the minimums of the WS pay schedule. The second and final 2% increase to the minimums will go into effect on November 25, 2004. Employees whose positions are in the WS schedule and are below the minimum of the new WS schedule will be adjusted on November 25, 2003, to the new minimums by us.
