What do we need for a successful campaign? First, we need **you!** Your participation is the most important thing. Next, we need your contributions in the form of pledges and participation in our campaign events. Our events are not only fun, but also the money you spend goes directly to local agencies and has a visible impact on our ten-parish community. Please join in when your United Way Committee representative asks for your assistance or participation.

CRT Committee Members:

It is important to remember that even though we raise money with the activities detailed above, the most money comes from our generous pledges!
