

2024 Trash Receptacle Grant Program

The purpose of the Keep Louisiana Beautiful (KLB) Trash Receptacle Grant is to reduce litter in public spaces by providing high-quality trash receptacles in communities throughout Louisiana.

Data collected by KLB over the last several years shows a **reduction of litter by 78%** in areas where trash receptacles are properly installed and maintained. One of KLB’s key initiatives is to help build infrastructure that supports clean, beautiful communities. Funding trash receptacles is one way we do that.
