Answer of Tesson, tutor of minor daughter of defunct Caron to suit of Sr. Piemont, merchant of this city, acting for Sr. Blavan of La Rochelle, to suit for 2895 livres, 6 sols.

In his answer Tesson says, that while he is willing to honor all invoices and bill-of-lading given by Caron to Piemont, in this one instance Piemont does not hold the original invoice.

He therefore prays that until Piemont can produce the original invoice and bill-of-lading, no action be taken against him.

Tesson
